Section 7. KRS 143:010 is amended to read as follows:

(1) "Cabinet" means "Revenue Cabinet."

(2) "Coal" means and includes any material composed predominantly of hydrocarbons in a solid state.

(3) "Severed," "severing," or "severance" means the physical removal of coal from the earth [~~in this state~~].

(4) "Ton" means a short ton of 2,000 pounds. The number of tons shall be determined at the first point at which the coal is weighed.

(5) "Taxpayer" shall mean and include any individual, partnership, joint venture, association, or corporation engaged in severing and/or processing coal in this state. In instances where contracts, either oral or written, are entered into whereby persons, organizations, or businesses are engaged to mine or process the coal but do not obtain title to or do not have an economic interest therein, the party who owns the coal or has an economic interest is the taxpayer.

(6) "Gross value" is synonymous with gross income from property as defined in section 613 (c) of the Internal Revenue Code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense (whether or not by common carrier) incurred in transporting coal shall not be considered as gross income from the property. Gross value is to be reported as follows:

(a) For coal severed and/or processed and sold during a reporting period, gross value is the amount received or receivable by the taxpayer.

(b) For coal severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:

1. If the coal is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.

2. If there is no existing contract, the fair market value for that grade and quality of coal shall be used in computing gross value.

(c) In a transaction involving related parties, gross value shall not be less than the fair market value for coal of similar grade and quality.

(d) In the absence of a sale, gross value shall be the fair market value for coal of similar grade and quality.

(e) If severed coal is purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the registered taxpayer actually severing the coal.

(f) If severed coal is purchased for the purpose of processing and consumption, the gross value is the fair market value of processed coal of similar grade and quality reduced by the amount paid or payable to the registered taxpayer actually severing the coal.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied by KRS 143.020, royalties, sales commissions, or any other expense.

(7) "Reporting period" means the period for which each taxpayer must compute his tax liability and remit the tax due to the cabinet. The reporting period shall be monthly. However, the cabinet may, under certain conditions, authorize a quarterly reporting period.

(8) "Processing" includes cleaning, breaking, sizing, dust allaying, treating to prevent freezing, or loading for shipment. "Processing" does not include:

(a) Acts performed by a final consumer who is not a related party to the person who severed and/or processed the coal if such acts are performed only at the site where the coal is consumed for purposes of generating electricity; or

(b) The act of unloading or loading for shipment coal that has not been severed, cleaned, broken, sized or otherwise treated in Kentucky.

(9) "Related party" means two (2) or more persons, organizations, or businesses owned or controlled directly or indirectly by the same interest. Control exists if a contract or lease, either written or oral, is entered into whereby one party mines or processes coal owned or held by another party and the owner or lessor participates in the mining, processing, or marketing of the coal or receives any value other than an arm's length passive royalty interest. In the case of related parties, the cabinet may apportion or allocate the receipts between or among such persons, organizations, or businesses if it determines that such apportionment or allocation is necessary in order to more clearly reflect gross value.

(10) "Economic interest" for the purposes of this chapter is synonymous with the economic interest ownership required by internal revenue code section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.

(11) Transportation expense shall mean:

(a) The amount paid by a taxpayer to a third party for transporting coal from the mine mouth or pit to a processing plant, tipple, loading dock or customer provided that the transaction is at arm's length.

(b) The cost incurred by a taxpayer using his own facilities in transporting coal from the mine mouth or pit to a processing plant, tipple, loading dock, or customer.

(c) The cost incurred in transporting the coal for purpose of marketing.

(d) In no case shall transportation expenses include the cost of acquisition, improvements, or maintenance of real property; the cost of loading or unloading facilities.

(12) "Registered taxpayer" as used in subsection (6)(e) and (f) of this section shall mean a "taxpayer" as defined in subsection (5) of this section who holds a valid coal tax certificate of registration required under KRS 143.030(1) and the certificate of registration was valid for the period in which his coal was sold."

The cabinet shall fairly divide, allocate, and certify the assessments to each county, city, town, or other taxing district within the state, within or through which the route or system is operated.

(3) After ascertaining the portion of valuation of the property attributable to the state, the Revenue Cabinet shall allocate the value of the property among the counties, cities, towns, and other taxing districts. The proportion which the length of line or route operated in each jurisdiction or taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation. Other reasonable evidence shall be considered by the cabinet.

SECTION 2. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO READ AS FOLLOWS:

On or before April 15, 1991, and each year thereafter, each person, corporation, partnership or other business association owning or operating trucks, tractors and semi-trailers which are not required to be registered with the local county clerk and whose route or system is partly within this state and partly within another state or states, shall on forms provided by the Revenue Cabinet provide the cabinet with a detailed description of all the property as well as a detailed description of the entire route or system traversed and other information the cabinet may prescribe.

SECTION 3. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO READ AS FOLLOWS:

(3) After the expiration of the thirty (30) day protest period, the valuation of any property described in Section 1 of this Act shall immediately be certified to the county clerk of each county in which any property is liable for taxation. The certification shall be filed by each county clerk in his office and the county clerk shall certify to the proper collecting officer of the county, city, town, or taxing district for collection.

Nonoperating intangible property within the taxing jurisdiction of the Commonwealth shall be taxable for state purposes only at the same rate as the intangible property of other taxpayers not performing public services, and operating property and nonoperating tangible property shall be subject to state and local taxes at the same rate as the tangible property of other taxpayers not performing public services.

(3) The Revenue Cabinet shall have sole power to value and assess all of the property of every corporation, company, association, partnership, or person performing any public service, including those enumerated above and all others to whom this section may apply, whether or not ***the*** [~~such~~] operating property, nonoperating tangible property, or nonoperating intangible property has heretofore been assessed by ***the*** [~~said~~] cabinet, and shall[~~, except as provided in subsection (4) of this section,~~] allocate ***the*** [~~such~~] assessment as provided by KRS 136.170, and shall certify operating property liable to local taxation and nonoperating tangible property to the counties, cities, and taxing districts as provided in KRS 136.180. HB 231, AN ACT relating to unemployment insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 341.090 is amended to read as follows:

As used in this chapter, unless the context clearly requires otherwise:

(1) "Base period" means the first four (4) of the last five (5) completed calendar quarters immediately preceding the first day of a worker's benefit year. ***However, if an individual lacks sufficient base period wages because of a job-related injury, and he has received or was eligible to receive workers' compensation, upon written application by the claimant an extended base period will be substituted for the current base period on a quarter by quarter basis as needed to establish a valid claim or to increase the benefit rate of a claim if:***

(a) The individual did not earn wages because of a job-related injury for at least seven (7) weeks of each base period quarter to be substituted by an extended base period quarter;

(b) No later than one (1) month prior to the expiration of workers' compensation benefits, the employer or carrier shall inform, orally and in writing, all recipients of their potential eligibility for unemployment insurance, and also provide a statement verifying the individual's eligibility for workers' compensation; and

(c) A claim for unemployment insurance compensation is filed no later than the fourth week of unemployment after the end of the period of injury compensated or eligible to be compensated by workers' compensation.

(2) "Extended base period" means the four (4) quarters prior to the claimant's base period. These four (4) quarters may be substituted for base period quarters on a quarter for quarter basis in order to establish a valid claim or increase the benefit rate of a valid claim regardless of whether the wages have been used to establish a prior claim, except wages earned as a member of the armed forces or wages reportable to another state and transferred under the combined wage agreement will be excluded if used in a prior claim. Employer chargeability shall be determined under KRS 341.530(2), except if this would result in an employer being charged twice for benefit payments based on the same wages, the pooled account will be charged.

(3)[~~(2)~~] "Benefit year" for any worker means the fifty-two (52) week period beginning with the first day of the week with respect to which he first requests a determination which establishes his status as a fully insured worker after the termination of his last preceding benefit year, if any, except that the last preceding benefit year shall be a fifty-three (53) week period if fifty-two (52) weeks would result in the overlapping of any calendar quarter of the base period of the new benefit year with the same calendar quarter of the base period of the previous benefit year. As used in this subsection, a worker shall be considered as having insured status, without regard to any other provision of this chapter, if at the time of his request he has satisfied the conditions required under subsection (5) of KRS 341.350.

(4)[~~(3)~~] "Base-period wages" means the wages paid to a worker during his base period by subject employers for covered employment. The secretary shall, upon request of employe, with respect to this subsection, consider wages payable to mean wages paid, if necessary to make the employe meet the earnings requirement in KRS 341.350 in order to prevent inequities in particular cases.

Section 2. KRS 341.410 is amended to read as follows:

The commissioner acting through his duly authorized representatives shall, upon request, determine the insured status of a worker. If a worker is found to have fully insured status, as defined in subsection ***(3)***[~~(2)~~] of KRS 341.090, the division shall notify all interested parties. If found to be not fully insured the division shall notify the worker. The commissioner may, at any time within a worker's benefit year, make such further determinations as may affect the worker's eligibility for benefits or may set aside, reconsider, modify, or amend a determination at any time on the basis of additional information or to correct a clerical mistake. The commission may by regulation prescribe what constitutes a determination as used in this section and subsections (2) and (3) of KRS 341.420.

Section 1. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust shall be paid as follows:

(a) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, [~~and no respiratory impairment~~] resulting from exposure to coal dust***, which is validated by two (2) x-rays and reports of the x-rays which conform to the standards for x-rays contained in subsection (2) of KRS 342.316*** [~~based upon spirometric testing values of eighty percent (80%) or more of the predicted normal values contained in the chapter on the respiratory system in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association~~], he shall award a one time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by fifty percent (50%) and shall be payable for a period not to exceed two hundred and eight (208) weeks. The one time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040, by the employee while he continues to work in the mining industry. The retraining incentive benefit may be collected in a lump sum when the employee leaves his hazardous employment in the mining industry if the parties agree and the agreement is approved by the administrative law judge. [~~To file a claim under this paragraph a claimant may elect, in lieu of any other method or procedure, to be examined by a physician named by the board and paid for by the employer.~~] Based upon this examination the administrative law judge may make appropriate findings and enter an award if indicated. [~~A claimant or employer aggrieved by a decision of the administrative law judge shall have forty-five (45) days to file an appeal to the board as provided by KRS 342.285.~~]

(b) If the administrative law judge finds that an employee has a radiographic classification of category

1/0, 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, contained in the chapter on the respiratory system of the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee has an occupational disability rating of seventy-five percent (75%) resulting from exposure to coal dust and the administrative law judge shall award an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred and twenty-five (425) weeks.

(c) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, contained in the chapter on the respiratory system of the latest edition available of the Guides to the Evaluation of Permanent Impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits which shall be equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

(d) If the administrative law judge finds that an employee has occupational pneumoconiosis with a radiographic classification of category 2/1, 2/2, 2/3, 3/2, 3/3 or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to such occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

Section 2. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973 shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employee was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time, except as otherwise provided in paragraph (a) of subsection (10) of this section; and

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, except that the time of the beginning of retraining incentive benefits awarded under KRS 342.732 shall be the date the award for such benefits by the administrative law judge becomes final.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to such disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted such disease, or a diagnosis of such disease is first communicated to him, whichever shall first occur;

(b) ***Except as provided in paragraph (d) of this subsection,*** the procedure with respect to filing of claims shall be as follows:

1. a. The application shall set forth the complete work history of the applicant with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least two (2) written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The reports shall be made by duly licensed physicians. Within one hundred and eighty (180) days following October 26, 1987, the board shall promulgate administrative regulations which prescribe the format of the medical reports required herein and the manner in which such reports shall be completed.

b. For coal-related occupational pneumoconiosis claims, each clinical examination shall include chest x-ray examinations and spirometric tests.

c. For other compensable occupational pneumoconiosis claims, each clinical examination shall include x-ray examinations and appropriate pulmonary function tests.

2. To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust, shall comply with accepted medical standards as follows:

a. Chest x-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the x-ray and the name and social security number of the claimant. Physicians' reports of x-ray interpretations shall: identify the claimant by name and social security number; include the date of the x-ray and the date of the report; classify the x-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.

b. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and the 1978 ATS epidemiology standardization project. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The board shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of subsection (2)(b) of this section. The board shall periodically review the applicability of the spirometric test values contained in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

(c) ***Except as provided in paragraph (d) of this subsection,*** the procedure with respect to the determination of claims shall be as follows:

1. Immediately upon receipt of said application for adjustment of claim, the commissioner shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim;

2. Upon receipt of notice of the claim the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. Within thirty (30) days of any such examination, the claimant or his representative shall be furnished a copy of said medical report by the party requesting such report. Also, the employer,

the special fund, or any other party to the claim shall have the right to have the claimant evaluated by vocational experts or institutions, at their expense, including a reasonable sum for travel. Within thirty (30) days of any such examination, the claimant or his representative, shall be furnished a copy of said vocational report by the party requesting such report; and

3. Within sixty (60) days of the receipt of the claim, the employer, the special fund, and any other interested party shall notify the board and the claimant whether or not the claim will be resisted. If the claim is not resisted, then an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall set a date for a pre-hearing conference and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the Workers' Compensation Board shall be followed. Upon request of an interested party and a showing of good cause, the administrative law judge may extend, one time, the time period for filing a notice of resistance as prescribed in this subparagraph, provided said extension shall not exceed thirty (30) days.

(d) For claims filed under subsection (1)(a) of KRS 342.732, the procedure shall be as follows:

1. For retraining incentive benefits under KRS 342.732, the claimant shall file two (2) x-rays and the reports thereof which shall conform to the standard for x-rays contained herein.

2. The commissioner shall notify the affected employee of such claim and shall furnish him with a full and complete copy of the claim.

3. Within sixty (60) days of the receipt of the claim, the employer shall notify the commissioner and the claimant whether or not the claim will be resisted. If the claim is not resisted, an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall notify the affected employee thereof. In litigated claims, the regular procedures prescribed by the Workers' Compensation Board shall be followed.

(3) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the Workers' Compensation Board within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within said period, unless a claim therefor be filed with the Workers' Compensation Board within three (3) years after such death; provided, however, that notice of such claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employee and its cause was known to the employer. Provided, however, that the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the Workers' Compensation Board within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income or retraining incentive benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(4) The amount of compensation payable for disability due to occupational disease or for death from such disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but in no event to exceed such amounts as were in effect at the time of the last injurious exposure, and provided further, that the time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, and provided further, that in case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section.

(5) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(6) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of such disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written

inquiry made by the employer, the place, duration and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(7) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, save only to after-born children of a marriage existing at the beginning of such disability.

(8) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of such cause, that the claim for injury, disability or death which was the basis for such application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for such injury, disability or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and such compensation may be awarded as is warranted by the whole evidence pursuant to the provisions of this chapter. When such amendment is submitted, further or additional evidence may be heard by the administrative law judge when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required herein.

(9) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided herein.

(10) (a) Except as provided in paragraph (c) of this subsection, the employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employee was last exposed to the hazard of such occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid pursuant to KRS 342.120 and under such regulations as the board may provide for such purpose; and

(b) In all claims for compensation partially payable by the special fund, the Director of the Division of the Special Fund shall be designated as codefendant.

(c) The employer in whose employment the employee was last exposed to he hazard of the disease shall alone be liable for payment of retraining incentive benefits awarded under KRS 342.732.

Section 3. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For total disability, sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during such disability.

(b) For permanent, partial disability, sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of disability caused by the injury or occupational disease as determined by "guides to the evaluation of permanent impairment," American Medical Association, 1977 edition, or by his percentage of disability as determined under KRS 342.0011(11), whichever is greater, for a maximum period, from the date the disability arises, of four hundred twenty-five (425) weeks. Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) When an employee, who has sustained disability compensable under this ***chapter*** [~~section~~], and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after such death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both such a widow or widower and such a child or children, to such widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of such benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no such widow or widower but such a child or children, then to such child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of such benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750 or to both, in such proportions as the board may provide by regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if such proportioned benefits remain unpaid, to be paid in a lump sum.

SB 53, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter unless the context otherwise requires:

(1) "Injury" means any work-related harmful change in the human organism, arising out of and in the course of employment, including damage to or loss of a prosthetic appliance, but does not include any communicable disease unless the risk of contracting such disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease.

(2) "Occupational disease" means a disease arising out of and in the course of the employment.

(3) An occupational disease as defined in this section shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employe. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" as used in KRS 342.316 shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which claim is made.

(5) "Death" means death resulting from an injury or occupational disease.

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer.

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employes covered by this chapter.

(8) "Department" means the Department of Workers' Claims in the Labor Cabinet.

(9) "Commissioner" means the commissioner of the Department of Workers' Claims under the direction and supervision of the Workers' Compensation Board.

(10) "Board" means the Workers' Compensation Board.

(11) "Disability" means a decrease of wage earning capacity due to injury or loss of ability to compete to obtain the kind of work the employee is customarily able to do, in the area where he lives, taking into consideration his age, occupation, education, effect upon employee's general health of continuing in the kind of work he is customarily able to do, and impairment or disfigurement.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial and other services as provided in this chapter, other than income benefits.

(14) "Compensation" means all payments made under the provisions of this chapter representing the sum of income benefits and medical and related benefits.

(15) "Medical services" means medical, surgical, dental, hospital, nursing and medical rehabilitation services, medicines, and fittings for artificial or prosthetic devices.

(16) "Person" means any individual, partnership, firm, association, trust, joint venture, corporation, or legal representative thereof.

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel or similar advantages received from the employer, and gratuities received in the course of employment from others than the employer as evidenced by the employee's federal and state tax returns.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with such farm operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter.

(20) "United States" when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States.

(21) "Alien" means a person who is not a citizen, a national or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien.

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes every group of self-insurers operating under the provisions of this chapter.

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger and surface mining sites, all activities performed at tipple or processing plants that clean, break, size or treat coal and all activities performed at coal loading facilities for trucks, railroads and barges. Severance or processing of coal shall not include acts performed by a final consumer if such acts are performed at the site of final consumption.

(b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, corporations, joint ventures, associations or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether such acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be considered wholly engaged in the severence or processing of coal for the purpose of this chapter. Provided however, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof.

(25) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the Workers' Compensation Board using generally accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The board shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each such claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim ***plus the cost of medical and vocational rehabilitation paid to date and projected to be paid***. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of such claims using the adjusted weekly benefit shall then be calculated by the board. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The board shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from board records and from the records of the division of unemployment insurance. The board shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The board shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.12 and shall then be multiplied by the employer's most recent annualized payroll, calculated using board records and division of unemployment insurance data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987 through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve-month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the board which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on such lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the board pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured such risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection, except that the value for each such employer's claims shall be the total of the indemnity benefits paid by the employer, adjusted to current benefit levels, plus the medical benefits paid.

(26) "SIC code" as used in this chapter means the standard industrial classification code contained in the latest edition of the standard industrial classification manual published by the federal office of management and budget.

SB 54, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.012 is amended to read as follows:

(1) For the purposes of this chapter an owner or owners of a business, including qualified partners of a partnership owning a business, whether or not employing any other person to perform a service for hire, shall be included within the meaning of the term employee if such owner, owners, or qualified partners elect to come under the provisions of this chapter and provide the insurance required thereunder. Nothing in this section shall be construed to limit the responsibilities of such owners or partners to provide coverage for their employees and non-qualified partners, if any, required under this chapter.

(2) When an owner, owners or qualified partners have elected to be included as employees, such shall be accomplished by the issuance of an appropriate endorsement to a workers' compensation insurance policy.

(3) For the purpose of this section, "qualified partner" means a partner who has entered into a meaningful partnership agreement which shows on its face that the partner will substantially participate in the profit or loss of the business engaged in by the partnership and that the partner has made some contribution to the partnership which entitles him to participate in the profits of the business as well as to participate in the decision-making process of the partnership.

(4) For the purposes of this section, "non-qualified partner" means a person who has entered into a partnership agreement which shows on its face that this person will receive regular payments in exchange for work for the business engaged in by the partnership; that the person will not participate in the decision-making of the partnership and will not participate in the profits and losses of the business engaged in by the partnership.

(5) Every partnership filing a partnership agreement for the purpose of exemption pursuant to the provisions of KRS 342.340, shall, on or before April 15 of each year, file with the board the partnership identification number assigned to the partnership by the Internal Revenue Service, and shall also file a copy of the tax return of the partnership. Failure to comply with the provisions of this subsection shall be prima facie evidence that the partnership agreement filed with the board is composed of "non-qualified partners" as defined in this section, and the board shall promptly notify interested government agencies of the failure of the filed partnership agreement to provide exemption of the partnership from the provisions of KRS 342.340. With particular reference to employers engaged in coal mining, the board shall promptly report the failure to comply with the provisions of this subsection to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

SB 56, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.040 is amended to read as follows:

(1) Except as provided in KRS 342.020, no compensation shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case compensation shall be allowed from the first day of disability. All compensation shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid. In no event shall income benefits be instituted later than the 15th day after the employer has knowledge of the disability or death. Benefits shall be due and payable not less often than semimonthly. If the employer should terminate, or fail to make payments when due, the employer shall notify the board of such termination or failure to make payments and the board shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.

(2) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.

(3) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his last known address.

SB 59, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.340 is amended to read as follows:

(1) Every employer under this chapter shall either insure and keep insured his liability for compensation hereunder in some corporation, association or organization authorized to transact the business of workmen's compensation insurance in this state or shall furnish to the board satisfactory proof of his financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. In the latter case the board shall require the deposit of an acceptable security, indemnity or bond to secure to such an extent as the board directs the payment of compensation liabilities as they are incurred.

(2) Every employer subject to this chapter shall file, or have filed on its behalf, with the Workers' Compensation Board, as often as may be necessary, evidence of its compliance with the provisions of this section and all others relating hereto. Every employer who has complied with the foregoing provision and has subsequently cancelled its insurance or its membership in an approved group self-insurance association, as the case may be, shall immediately notify, or have notice given on its behalf to the Workers' Compensation Board of such cancellation, the date thereof and the reasons therefore; and every insurance carrier or group self-insurance association shall in like manner notify the Workers' Compensation Board upon the cancellation, ***lapse, termination, expiration by reason of termination of policy period, or nonrenewal*** of any policy issued by it or ***termination of*** any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or group self-insurance association need not set forth its reasons ***therefor*** [~~for cancellation~~] unless requested by the Workers' Compensation Board. The above filings are to be made on the forms prescribed by the board. ***Termination*** [~~Cancellation~~] of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of such ***notification*** [~~cancellation~~] by the Workers' Compensation Board unless the employer has obtained other insurance and the Workers' Compensation Board is notified of that fact by the insurer assuming the risk. Upon determination that any employer under this chapter has failed to comply with these provisions the board shall promptly notify interested government agencies of said failure and with particular reference to employers engaged in coal mining the board shall promptly report any such failures to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

SB 60, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.350 is amended to read as follows:

(1) In order to comply with KRS 342.340 groups of employers may form, either among themselves or with employers in other states, mutual insurance associations or reciprocal or interinsurance exchanges subject to the insurance laws of this state and such reasonable conditions and restrictions not inconsistent therewith as may be fixed by the board. Membership in such mutual insurance associations or reciprocal or interinsurance exchanges so approved, together with evidence of the payment of premiums due, shall be evidence of compliance with KRS 342.340.

(2) The board may, except as provided in subsection (3), require any mutual insurance association or reciprocal or interinsurance exchange to purchase an annuity or to effect reinsurance with a company authorized to transact insurance in this state or to make such deposit with a bank or trust company of this state as shall in either case be approved by the board for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(3) Any mutual insurance association or reciprocal or interinsurance exchange possessing a surplus of at least one hundred thousand dollars ($100,000) and not less in amount than the capital required of a domestic stock insurance company transacting the same kind of insurance, shall not be required to purchase an annuity or effect reinsurance with a company authorized to transact insurance in this state or to make such a deposit with a bank or trust company of this state for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(4) In addition, the board, under rules and regulations as it shall prescribe, may permit ***eleven (11)***

[~~two (2)~~] or more employers to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as self-insurers. Employers securing certification as group self-insurers are regulated by the rules and regulations drawn by the Workers' Compensation Board and are not to be in any way subject to the provisions of subsections (1), (2), and (3) of this section; provided, however, that the Governor may assign the regulatory authority under this subsection to another board or agency pursuant to KRS 42.005.

SB 61, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment. [~~To this end there is hereby created a rehabilitation panel which shall be composed of the commissioner and specialists in medical and vocational rehabilitation to be appointed by the board.~~]

(2) The ***board*** [~~panel~~] shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. The board [~~in consultation with the panel,~~] shall approve as qualified such facilities, institutions and physicians as are capable of rendering competent rehabilitation service to seriously injured employes. No facility or institution shall be considered as qualified unless it is specifically equipped to provide rehabilitation services for persons suffering either from some specialized type of disability or general type of disability within the field of occupational injury and is staffed with trained and qualified personnel, and with respect to physical rehabilitation, unless it is supervised by a physician qualified to render such service. No physician shall be considered qualified unless he has had the experience and training specified by the board.

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, [~~and after affording the parties an opportunity to be heard by the panel,~~] the administrative law judge[~~, in consultation with the panel,~~] may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service the administrative law judge may deem necessary, be provided at the expense of the defendants. Vocational rehabilitation training, treatment or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging or travel shall be paid for by the defendants.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The board [~~and the rehabilitation panel~~] shall cooperate on a reciprocal basis with the Kentucky Office of Rehabilitation of the Department of Education and the Department of Employment Services of the Kentucky Cabinet for Human Resources. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Department for Employment Services following the defendant's refusal to provide such services, the ***administrative law judge*** [~~board~~], after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the defendants as apportioned in the award.

(7) The board shall, by July 1, 1988, promulgate administrative regulations to effectuate the provisions of this section. The administrative regulations shall ensure early intervention; prompt and cost-efficient delivery of rehabilitation services and vigorous monitoring of qualified rehabilitation providers, facilities and agencies.

SB 62, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. Then the election officers shall secure from the county clerk a reserve voting machine, which shall be prepared and made ready for use as provided in KRS 117.205, and thereupon proceed to conduct the election. When the polls are closed both the original and reserve voting machines shall be examined and the votes thereon registered shall be counted as provided in KRS 117.275 and the aggregate number of votes cast on both machines for each candidate and on each question shall be certified as the result of the election in that precinct.

(2) If an emergency should arise due to the malfunction of the voting machine, the county clerk shall provide a backup voting machine or ***supplemental paper*** [~~special~~] ballots for use at the precinct and a ballot box in which to deposit the voted ballots. The ballot box shall be locked with two (2) locks and the judges of the precinct shall each hold the key to one (1) lock. At the close of voting, the ballots shall be counted at the precinct or a central counting center and added to the votes cast by machine. The aggregate of these votes shall be certified as the result of the election in that precinct.

(2) No officer of election shall do any electioneering on election day.

(3) No person shall do any electioneering [~~or exit polling~~] at the polling place or within a distance of

five hundred (500) feet of any entrance to a building in which a voting machine is located if that entrance is unlocked and is used by voters on election day, unless the fiscal court or legislative body of an urban-county government specifically authorizes by ordinance on a county wide basis a greater distance from the polling place within which electioneering may be permitted, but in no case shall electioneering [~~or exit polling~~] be allowed within five hundred (500) feet of any entrance to a building in which a voting machine is located if that entrance is unlocked and is used by voters. Electioneering shall include the displaying of signs, the distribution of campaign literature, cards or handbills, the soliciting of signatures to any petition, or the solicitation of votes for or against any candidate or question on the ballot in any manner, but shall not include exit polling. [~~Any person conducting exit polls on election day shall register with the county clerk not less than seven (7) days before the day of the election. The clerk shall give the exit poller a document showing that he has registered, and the exit poller shall carry that document with him at the polls on election day.~~] Nothing contained in this section shall prohibit electioneering conducted within a private residence or establishment other than that in which the polling place is located by persons having an ownership interest in such property.

(4) No voter shall be permitted to converse with others while in the voting room concerning their support or nonsupport of any candidate, party or issue to be voted on, except as provided in KRS 117.255.

(5) The election sheriff, under the supervision of the precinct election judges, shall enforce the election laws and maintain law and order at the polls and within fifty (50) feet of any entrance to the building in which the voting machine is located if that entrance is unlocked and is used by voters. Assistance may be requested of any law enforcement officer.

Section 27. KRS 117.255 is amended to read as follows:

(1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.

(2) Except for those voters who have been certified as requiring assistance on a permanent basis, no voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, by reason of inability to read English, or by reason of blindness or other physical disability he is unable to vote without assistance. The oath shall be upon a voter assistance form prescribed by the State Board of Elections. All persons assisting a voter shall execute the voter assistance form.

(3) Upon making and filing with the judges ***the*** [~~such~~] oath, the voter shall retire to the voting machine, with the judges, and one (1) of the judges shall [~~then~~], in the presence of the other and the voter, operate the machine as the voter directs. The disabled person applying to vote may, if he prefers, be assisted by a person of his own choice who is not an election officer, except that the voter's employer, an agent of that employer, an officer or agent of that voter's union, or a candidate shall not assist the voter, nor shall a person assist more than two (2) voters on the date of any primary***,*** [~~or~~] regular or special election.

(5) Voters who require assistance on a permanent basis due to blindness or other physical disability may apply to the county board of elections for certification. Application may be made when registering to vote or completing the voter assistance form by indicating the reason for obtaining assistance is permanent. The county board of elections shall determine whether the applicant requires assistance on a permanent basis. The county board of elections shall notify the ***county clerk who shall enter such certification on the voter's registration record. The*** State Board of Elections[~~, which~~] shall cause the precinct roster of voters to indicate those voters who are certified to receive assistance permanently without signing voter assistance forms at the precinct.

(6) Voting booth shall mean an area in which a voter casts his vote which is designed ***to insure*** [~~in such a manner that~~] the secrecy of the vote [~~is insured~~]. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific physical disability that requires him to receive assistance[~~, and the judges of election shall enter in writing, on a record of assisted voters, the voter's name and the specific physical disability which required him to receive assistance~~].

(7) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it.

(8) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.

(9) If the machine is so constructed as to require adjustment after one (1) person has voted before another person may vote, the judges of election shall [~~so~~] adjust it after each person has voted.

(10) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.

(11) [~~In elections for President and Vice President, if a voter is eligible to vote only for the office of president and vice president, a judge of the election shall adjust the machine so that the voter will only be able to vote for President and Vice President.~~

~~(12)~~] If supplemental paper ballots have been approved, as provided in KRS 118.215, the voter shall vote his ballot in privacy in a booth provided for that purpose by the county clerk. If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled," initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall [~~then~~] be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.

(12)[~~(13)~~] The election sheriff shall be responsible for reporting violations of this section.

(1) A voter may, at any general or special election, cast a write-in vote for any person whose name does not appear upon the ballot label as a candidate, by writing the name of his choice upon the appropriate device for the office being voted on provided on the voting machine as required by KRS 117.125. Any voter utilizing ***an absentee*** [~~a special~~] ballot may write in a vote for any person whose name does not appear upon the ballot, by writing the name of his choice under the office.

(2) Two (2) election officers of opposing parties shall upon the request of any voter instruct such voter on how to cast a write-in vote.

Before permitting any person to vote on the day of the election, the election officers shall examine the machine to ascertain whether it has been operated since the counters referred to in subsection (10) and (11) of KRS 117.125 were set at zero, and to ascertain whether the ballot labels are arranged as specified on the printed instruction cards. If the machine indicates that it has been operated or if the ballot labels are not so arranged, the officers shall not unlock the operating device or mechanism, but shall immediately secure the attendance of ***the county clerk and*** one (1) ***member*** [~~or all of the members~~] of the county board of elections ***other than the county clerk***, who shall reset ***the*** [~~said~~] counters at zero and [~~then~~] relock the device covering the counters, or properly arrange the ballot labels, as the case may be, in the presence of the election officers. If the attendance of [~~such~~] members of the board of elections cannot be obtained before the opening of the polls or within one (1) hour thereafter, the election officers shall notify the county clerk of the foregoing facts and obtain from the county clerk a reserve voting machine, and [~~thereafter~~] proceed to conduct the election. Then the election officers shall secure from the county clerk a reserve voting machine,

which shall be prepared and made ready for use as provided in KRS 117.205, and thereupon proceed to conduct the election. When the polls are closed both the original and reserve voting machines shall be examined and the votes thereon registered shall be counted as provided in KRS 117.275 and the aggregate number of votes cast on both machines for each candidate and on each question shall be certified as the result of the election in that precinct.

(2) If an emergency should arise due to the malfunction of the voting machine, the county clerk shall provide a backup voting machine or ***supplemental paper*** [~~special~~] ballots for use at the precinct and a ballot box in which to deposit the voted ballots. The ballot box shall be locked with two (2) locks and the judges of the precinct shall each hold the key to one (1) lock. (3) No person shall do any electioneering [~~or exit polling~~] at the polling place or within a distance of five hundred (500) feet of any entrance to a building in which a voting machine is located if that entrance is unlocked and is used by voters on election day, unless the fiscal court or legislative body of an urban-county government specifically authorizes by ordinance on a county wide basis a greater distance from the polling place within which electioneering may be permitted, but in no case shall electioneering [~~or exit polling~~] be allowed within five hundred (500) feet of any entrance to a building in which a voting machine is located if that entrance is unlocked and is used by voters. Electioneering shall include the displaying of signs, the distribution of campaign literature, cards or handbills, the soliciting of signatures to any petition, or the solicitation of votes for or against any candidate or question on the ballot in any manner, but shall not include exit polling. [~~Any person conducting exit polls on election day shall register with the county clerk not less than seven (7) days before the day of the election. The clerk shall give the exit poller a document showing that he has registered, and the exit poller shall carry that document with him at the polls on election day.~~] Nothing contained in this section shall prohibit electioneering conducted within a private residence or establishment other than that in which the polling place is located by persons having an ownership interest in such property.

(4) No voter shall be permitted to converse with others while in the voting room concerning their support or nonsupport of any candidate, party or issue to be voted on, except as provided in KRS 117.255.

(5) The election sheriff, under the supervision of the precinct election judges, shall enforce the election laws and maintain law and order at the polls and within fifty (50) feet of any entrance to the building in which the voting machine is located if that entrance is unlocked and is used by voters. Assistance may be requested of any law enforcement officer.

Section 28. KRS 117.255 is amended to read as follows:

(1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.

(2) Except for those voters who have been certified as requiring assistance on a permanent basis, no voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, by reason of inability to read English, or by reason of blindness or other physical disability he is unable to vote without assistance. The oath shall be upon a voter assistance form prescribed by the State Board of Elections. All persons assisting a voter shall execute the voter assistance form.

(3) Upon making and filing with the judges ***the*** [~~such~~] oath, the voter shall retire to the voting machine, with the judges, and one (1) of the judges shall [~~then~~], in the presence of the other and the voter, operate the machine as the voter directs. (5) Voters who require assistance on a permanent basis due to blindness or other physical disability may apply to the county board of elections for certification. Application may be made when registering to vote or completing the voter assistance form by indicating the reason for obtaining assistance is permanent. The county board of elections shall determine whether the applicant requires assistance on a permanent basis. The county board of elections shall notify the ***county clerk who shall enter such certification on the voter's registration record. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific physical disability that requires him to receive assistance[~~, and the judges of election shall enter in writing, on a record of assisted voters, the voter's name and the specific physical disability which required him to receive assistance~~].

(7) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it.

(8) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.

(9) If the machine is so constructed as to require adjustment after one (1) person has voted before another person may vote, the judges of election shall [~~so~~] adjust it after each person has voted.

(10) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.

(11) [~~In elections for President and Vice President, if a voter is eligible to vote only for the office of president and vice president, a judge of the election shall adjust the machine so that the voter will only be able to vote for President and Vice President.~~

If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled," initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall [~~then~~] be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.

Any voter utilizing ***an absentee*** [~~a special~~] ballot may write in a vote for any person whose name does not appear upon the ballot, by writing the name of his choice under the office.

(2) Two (2) election officers of opposing parties shall upon the request of any voter instruct such voter on how to cast a write-in vote.

(2) If, before the ballots are printed, any candidate whose notification and declaration or certificate

(6) If any political party entitled to nominate by convention fails to do so, the names of all nominees by petition for any office who are designated in their petition as members and candidates of that party shall be printed under the device and title on the voting machines as if nominated by a convention. If two (2) or more persons who have filed certificates of nomination under this section claim to be the nominee of the same political party, the governing authority of that party shall designate to the secretary of state and county clerk, in writing, which of the candidates is entitled to the party emblem. If there are two (2) or more contending executive committees of the same party in the county or district, the county or district executive committee that is recognized by the state governing authority of the party, by the written certificate of its chairman, shall be recognized by the Secretary of State and county clerk.

(2) No person shall be elected to city office without being nominated in the manner provided in this section at a nonpartisan primary election to be held at the time prescribed by KRS Chapters 116 to 121, except as otherwise provided in this chapter. Nonpartisan primary elections shall be conducted by the same officers, chosen and acting in the same manner, with the same rights and duties as in regular elections.

(3) Each applicant for nomination shall, by at least the last date prescribed by the election law generally for filing notification and declaration forms with the county clerk, file with the county clerk a petition ***of nomination which shall be in the form prescribed by the State Board of Elections*** signed by at least two (2) registered voters in the city. Each voter may sign a slated petition up to the number of offices to be filled for a particular position or may sign individual petitions equal to the number of offices to be filled. If a voter signs petitions for more candidates than he is authorized then he shall be counted as a petitioner for the candidate whose petition is filed first. [~~The petition shall be in the following form:~~

(5) Immediately upon expiration of the time for filing petitions, the county clerk shall have published in accordance with KRS Chapter 424 the names of the applicants as they will appear before the voters at the primary.

(6) Subsection (5) of this section shall not apply if it appears, immediately upon expiration of the time for filing petitions, that there are not more than two (2) applicants for nomination for each city office to be filled, or, when the nominations are for city legislative body members in cities electing legislative body members at large, and there are no more than twice the number of applicants for nomination for the number of offices to be filled. If, in accordance with the provisions of this section, a primary election has not been held, candidates for nonpartisan city office shall not be required to make pre-election reports to the Registry of Election Finance pursuant to KRS 121.180, but shall be required to make post-election reports within thirty (30) days after the regular election in November.

(7) The ballot position of a candidate shall not be changed after the ballot position has been designated by the county clerk.

(8) If before the ballots are printed, any candidate whose petition has been filed in the office of the county clerk dies or notifies the clerk in writing, signed and properly notarized, that he will not accept the nomination, the clerk shall not cause his name to be printed on the ballot.

(b) The county clerk shall provide notices to the precinct election officers who shall see that a notice is conspicuously displayed at the polling place advising voters of the change; and that votes for the candidate shall not be tabulated or recorded. If the county clerk learns of the death or withdrawal at least five (5) days prior to the election and provides the notices required by this subsection and the precinct officers fail to post the notices at the polling place, the officers shall be guilty of a violation[~~the county clerk shall cause his name to be blocked out or obliterated from the ballot. The clerk shall not knowingly allow the name of a deceased person to appear on the ballot~~].

(10) Names of applicants for each nomination shall be placed before the voters of the city. The voters shall be instructed to vote for one (1) candidate, except that they shall be instructed to vote for the number of legislative body members to be elected in cities nominating legislative body members at large. No party designation or emblem of any kind, nor any sign indicating any applicant's political belief or party affiliation shall be used.

(11) Persons qualified to vote at a regular election are qualified to vote at a nonpartisan primary election and the law applicable to challenges made at a regular election is applicable to challenges made at a nonpartisan primary election.

(12) Votes shall be counted as provided in general election laws, pursuant to KRS Chapters 116 to 121, and the result shall be published as provided in KRS Chapter 424.

shall be nominated, or where the nominations are for city legislative body members in cities electing legislative body members at large, there shall be nominated the number of applicants receiving the highest number of votes equal to twice the number of offices to be filled.

(14) At the regular election following a nonpartisan primary election, the names of the successful nominees and candidates who have filed a petition of candidacy as provided in this chapter to fill a vacancy shall be placed before the voters.

(15) The nominee or candidate receiving the greater number of votes cast for each city office shall be elected.

(16) KRS Chapters 116 to 121 prescribing duties of county clerks and other public officers in the conduct of elections shall be applicable in all respects to nonpartisan city elections, except no election officer or other person within a polling place shall tell or indicate to a voter, by word of mouth or otherwise, the political affiliation of any candidate for city office.

(2) If in a regular election for nonpartisan city office no candidates nominated to an office as provided in KRS 83A.170 are available due to death, incapacity or withdrawal, or when city legislative body members are to be elected at large and there are fewer nominees than there are [~~such~~] offices to be filled, or if a fourth to sixth class city has not conducted a primary election pursuant to KRS 83A.045, the election to fill the regular term shall be conducted in the manner prescribed by this section.

The failure, upon demand by the law enforcement agency or its authorized agent, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored, to produce an appropriate registration, or proof that he is the holder thereof, constitutes authority for the seizure and forfeiture of the plants.

(d) All substances, machinery or devices used for the manufacture, packaging, repackaging, or marking, and books, papers and records, and all vehicles owned and used by the seller or distributor for the manufacture, distribution, sale or transfer of substances in violation of KRS 218A.350 shall be seized and forfeited to the state. No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it is proven beyond a reasonable doubt that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;

2. No conveyance is subject to forfeiture under this section by reason of any act or omission established by the owner thereof to have been committed or omitted without his knowledge or consent;

3. A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission;

(2) Title to all property, including all interests in the property, forfeit under this section vests in the Commonwealth on the commission of the act or omission giving rise to forfeiture under this section together with the proceeds of the property after the time. Any property or proceeds subsequently transferred to any person shall be subject to forfeiture and thereafter shall be ordered forfeited unless the transferee establishes in the forfeiture proceeding that he is a subsequent bona fide purchaser for value without actual or constructive notice of the act or omission giving rise to the forfeiture.

(3) If any of the property described in this section cannot be located; has been transferred to, sold to, or deposited with a third party; has been placed beyond the jurisdiction of the court; has been substantially diminished in value by any act or omission of the defendant; or, has been commingled with any property which cannot be divided without difficulty, the court shall order the forfeiture of any other property of the defendant up to the value of any property subject to forfeiture under this section.

1. The court shall take evidence on the issues of whether the property named in the application is forfeit and seizure is necessary to preserve the property pending final judgment.

2. The Commonwealth shall have the initial burden of showing the existence of probable cause for forfeiture of the property and the necessity of seizure. On the showing by the Commonwealth, the respondent shall have the burden of showing by a preponderance of the evidence that the property is not subject to forfeiture.

3. Evidence at the seizure hearing may not be suppressed on the ground that its acquisition by search or seizure violated constitutional protections applicable in criminal cases relating to unreasonable searches or seizures.

5. The court may, in its discretion, permit the owner of the property to post security equal to the value of the property in lieu of seizure.

(b) A temporary seizure order pursuant to this section may be entered on application without notice or an opportunity for a hearing if the Commonwealth demonstrates that there is probable cause to believe that the property with respect to which the order is sought is subject to forfeiture and the need to preserve the availability of property through immediate seizure outweighs the hardship that an immediate seizure may cause the owner. The temporary order shall expire ten (10) days after the date on which it is entered or at the time of the hearing provided for in paragraph (a) of this subsection.

Section 6. KRS 218A.435 is amended to read as follows:

(6) The Justice Cabinet shall, upon advice from the Office of Investment and Debt Management, determine, not later than May 1, the available trust fund balance for the next fiscal year and advise eligible agencies of the projected grant levels by June 1. Agencies receiving grants shall request authorization to expend additional funds as otherwise provided in KRS Chapter 48. Funds shall be withdrawn from the trust fund quarterly to maximize investment income unless an accelerated grant award is necessary for program administration.

(7) The balance of the trust fund following appropriations for costs associated with the administration of the fund shall be distributed as follows:

1. Forty-five percent (45%) of the funds received in any fiscal year shall be allocated to the law enforcement agency or agencies responsible for the seizure and forfeiture of the property pursuant to KRS 218A.410; and

(8) The Attorney General, the secretary of the Cabinet for Human Resources, the secretary of the Corrections Cabinet, and the secretary of the Justice Cabinet or their designees shall each promulgate administrative regulations which itemize the programs on which the disbursed funds shall be spent and the method for local entities to apply for those funds.

(9) On or after the effective date of this Act, each state or local law enforcement agency which seizes property for the purpose of forfeiture under KRS 218A.410 shall, prior to being eligible for the receipt of disbursements from the trust fund, adopt policies which are in compliance with or which substantially comply with the model policy for forfeiture of assets by law enforcement agencies published by the Department of Criminal Justice Training. A state or local law enforcement agency may adopt policies that are more restrictive on the agency than those contained in the model policy and that fairly and uniformly implement the provisions of this chapter.

(10) On or after the effective date of this Act, each state or local law enforcement agency which seizes property for the purpose of forfeiture under KRS 218A.410 shall, prior to being eligible to receive disbursements from the trust fund, have one (1) or more officers currently employed attend asset forfeiture training as approved by the Kentucky law enforcement council which shall approve a curriculum of study for asset forfeiture training.

(11) Other provisions of this section notwithstanding, any vehicle seized by a law enforcement agency which is forfeited pursuant to KRS 218A.430 may be retained by the seizing agency for official use within its discretion. The moneys shall supplement any funds appropriated to the recipient and shall not supplant other funding of any recipient.

(13) If money or property is seized in a joint operation involving more than one (1) law enforcement agency, or prosecutorial office, the disbursement from the trust fund pursuant to subsection (7), paragraph 1., of this section, or pursuant to subsection (12) of this section, shall be divided among the agencies in such a manner as to reflect the degree of participation of each agency in the law enforcement effort resulting in the forfeiture, taking into account the total value of all property forfeited and the total law enforcement effort with respect to the violation of law on which the forfeiture is based.

(1) The Commonwealth shall have a lien on all property, real or personal, which is forfeit to the Commonwealth by virtue of KRS 218A.410. This lien shall not be defeated by gift, devise, sale, alienation or any means whatever except by sale to a subsequent bona fide purchaser for value without actual or constructive notice of the lien. The lien shall commence from the time the property becomes forfeit and shall have priority over any other obligation or liability following that time but shall be subordinate to any then existing perfected security interest on the property that is not itself subject to forfeiture.

(2) The Commonwealth may file on the official records of any one (1) or more counties a forfeiture

lien notice of the lien created in subsection (1) of this section. No filing fee or other charge shall be required as a condition for filing the forfeiture lien notice, and the appropriate clerk shall, upon the presentation of a forfeiture lien notice, immediately record it in the official records.

(3) The forfeiture lien notice shall be signed by an attorney authorized to institute a forfeiture action on behalf of the Commonwealth. The notice shall set forth the following information:

(a) A description of the property which is subject to the lien;

(4) The attorney filing the forfeiture lien notice shall, as soon as practicable after filing, furnish to any owner or lienholder of record either a copy of the recorded notice or a copy of the notice with annotation on it of the county or counties in which the notice has been recorded. Failure to provide a copy of the notice shall not invalidate or otherwise affect the lien.

(5) In conjunction with any forfeiture proceeding, an attorney representing the Commonwealth may file, without prior court order, in any county, a lis pendens under the provisions of KRS 382.440, and any person acquiring an interest in the subject real property or interest in it if the real property or interest is acquired subsequent to the filing of lis pendens, shall take the interest subject to any subsequent judgment of forfeiture.

(6) (a) A trustee who acquires actual knowledge that a forfeiture lien notice or a forfeiture proceeding has been filed against any property to which he holds legal or record title, shall immediately furnish to the attorney representing the Commonwealth the following:

1. The name and address of the holder of the beneficial interest in the property, as known to the trustee;

2. The name and address, as known to the trustee, of all other persons for whose benefit the trustee holds title to the personal or real property;

3. If requested by the attorney representing the Commonwealth, a copy of the trust agreement or other instrument under which the trustee holds legal or record title to the personal or real property.

(b) Any trustee who knowingly fails to comply with the provisions of this section is guilty of a Class D felony.

(a) The amount of proceeds received directly from the property named in the forfeiture lien notice as a result of the transfer or conveyance;

(b) The amount of proceeds received by the trustee as a result of the transfer or conveyance and distributed to the holder of the beneficial interest in the property named in the forfeiture lien notice; or

but if the trustee transfers or conveys the personal or real property and holds the proceeds that would otherwise be paid or distributed to the beneficiary or at the discretion of the beneficiary or his designee, the trustee's liability shall not exceed the amount of the proceeds held for so long as the proceeds are held by the trustee.

(8) The Commonwealth may bring a civil proceeding in any Circuit Court against the trustee to recover from the trustee the amounts set forth in subsection (7) of this section, and the Commonwealth shall also be entitled to recover investigative costs and attorney's fees incurred.

(9) (a) The provisions of this section shall not apply to any transfer or conveyance by a trustee under a court order, unless the court order is entered in an action between the trustee and the beneficiary.

(b) Unless the trustee has actual knowledge that property is named in a forfeiture lien notice, this section shall not apply to:

1. Any conveyance by a trustee required under the terms of any trust agreement where the trust agreement is a matter of public record prior to the filing of any forfeiture lien notice; or

2. Any transfer or conveyance by a trustee to all of the persons who own a beneficial interest in the trust.

(10) The term of a forfeiture lien notice shall be for a period of six (6) years from the date of filing unless a renewal forfeiture lien notice has been filed, and, in such case, the term of the renewal forfeiture lien notice shall be for a period of six (6) years from the date of its filing. (12) If no court proceeding to obtain an order of forfeiture is pending against the property named in a forfeiture lien notice at the time of its filing, for purposes only of contesting the notice, it shall be treated as a seizure pursuant to KRS 218A.415.

(13) An agent of the Commonwealth shall have a continuing right to inspect property against which a forfeiture lien has been placed pursuant to this section and the Commonwealth shall have the authority to stay any civil foreclosure or repossession actions concerning property subject to the lien pending final order of forfeiture.

SECTION 9. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Jurisdiction in all forfeiture proceedings shall vest in the Circuit Court regardless of the value of property subject to forfeiture. Venue in the actions shall be in the circuit where the property was seized or is located or the circuit in which any criminal prosecution against the owner of the property is pending.

(2) Following conviction of a defendant for any violation of KRS Chapter 218A, the court shall conduct an ancillary hearing to forfeit property if requested by any third party. The Commonwealth's attorney shall initiate the hearing by filing a motion requesting entry of a final order of forfeiture upon proof that the property was being used in violation of the provisions of this chapter. The final order of forfeiture by the court shall perfect in the Commonwealth or appropriate law enforcement agency, as provided in KRS 218A.435, right, title and interest in and to the property. The Commonwealth may transfer by deed of general warranty any real property forfeited.

(3) If the property subject to forfeiture is of a type for which title or registration is required by law, or if the owner of the property is known in fact to the Commonwealth at the time of the hearing, or if the property is subject to a perfected security interest in accordance with the Uniform Commercial Code, KRS Chapter 355, the Commonwealth's attorney shall give notice of the ancillary hearing by registered mail, return receipt requested, to each person having an interest in the property, and shall publish notice of the forfeiture once each week for two (2) consecutive weeks in a newspaper of general circulation as defined in KRS Chapter 424 in the county where the forfeiture proceedings will occur. The notice shall be mailed and first published at least four (4) weeks prior to the ancillary hearing and shall describe the property; state the county, place and date of seizure; state the name of the law enforcement agency holding the seized property; and state the name of the court in which the ancillary hearing will be held and the date of the hearing. However, the Commonwealth shall be obligated only to make a diligent search and inquiry as to the owner of subject property; and if after diligent search and inquiry the Commonwealth is unable to ascertain such owner, the actual notice requirements by mail shall not be applicable.

(4) Unless otherwise expressly provided in KRS 218A.415, the burden shall be upon claimant to property to prove by preponderance of the evidence that it is not subject to forfeiture. Any claimant other than a person who holds title or registration to the property or who has a perfected security interest in the property shall be required to post a bond equivalent to ten percent (10%) of the appraised value of the property with the clerk of the court before being allowed to litigate the claim. The bond shall offset the costs of litigation incurred by the Commonwealth. A claimant may proceed in forma pauperis with leave of court upon sworn petition subject to the applicable rules and subject to the provisions of law concerning perjury.

(5) Any property subject to forfeiture prior to the effective date of this Act shall be forfeited pursuant to the procedure set forth in this section as of the effective date of this Act. All procedures set forth herein and the distribution as set forth in KRS 218A.435 as amended by Section 6 of this Act shall apply retroactively to all property subject to forfeiture prior to the effective date of this Act.

Section 10. The following KRS section is repealed:

218A.430 Maximum ceilings on proceeds.

Section 11. Whereas illegal trafficking in controlled substances is endangering the well being of the Commonwealth and its citizens, and law enforcement agencies are in immediate need of additional moneys to combat the ever-growing drug problem, an emergency is declared to exist and this Act shall become effective upon its passage and approval by the Governor.

The Committee Substitute to **HB 272** is as follows:

HB 272, AN ACT relating to forfeiture and seized property and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 218A.410 is amended to read as follows:

(1) The following are subject to forfeiture:

(a) Controlled substances listed in Schedule I that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state.

(b) Controlled substances listed in Schedule I, which are seized or come into the possession of the state, the owners of which are unknown, are contraband and shall be summarily forfeited to the state.

(c) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily destroyed or forfeited to the state. The failure, upon demand by the law enforcement agency or its authorized agent, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored, to produce an appropriate registration, or proof that he is the holder thereof, constitutes authority for the seizure and forfeiture of the plants.

(d) All substances, machinery or devices used for the manufacture, packaging, repackaging, or marking, and books, papers and records, and all vehicles owned and used by the seller or distributor for the manufacture, distribution, sale or transfer of substances in violation of KRS 218A.350 shall be seized and forfeited to the state. Substances manufactured, held, or distributed in violation of KRS 218A.350 shall be deemed contraband.

(e) All controlled substances which have been manufactured, distributed, dispensed, possessed, being held or acquired in violation of this chapter.

(f) All raw materials, products and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this chapter.

(g) All property which is used, or intended for use, as a container for property described in paragraph (e) or (f) of this subsection.

(h) All conveyances, including aircraft, vehicles or vessels, which are used, or intended for use, to transport, or in any manner to facilitate the transportation, for the purpose of sale or receipt of property described in paragraph (e) or (f) of this subsection, but:

1. No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it is proven beyond a reasonable doubt that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;

2. No conveyance is subject to forfeiture under this section by reason of any act or omission established by the owner thereof to have been committed or omitted without his knowledge or consent;

3. A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission;

4. The forfeiture provisions of this paragraph shall not apply to any misdemeanor offense relating to marijuana.

(i) All books, records, and research products and materials, including formulas, microfilm, tapes and data which are used, or intended for use, in violation of this chapter.

(j) Everything of value furnished, or intended to be furnished, in exchange for a controlled substance in violation of this chapter, all proceeds, including real and personal property, traceable to ***the*** [~~such an~~] exchange, and all moneys, negotiable instruments, and securities used, or intended to be used, to facilitate any violation of this chapter; except that no property shall be forfeited under this paragraph, to the extent of the interest of an owner, by reason of any act or omission established by him to have been committed or omitted without his knowledge or consent. It shall be a rebuttable presumption that all moneys, coin and currency found in close proximity to [~~forfeitable~~] controlled substances, to [~~forfeitable~~] drug manufacturing or distributing paraphernalia, or to [~~forfeitable~~] records of the importation, manufacture or distribution of controlled substances, are presumed to be forfeitable under this paragraph. The burden of proof ***shall be*** [~~is~~] upon claimants of personal property to rebut this presumption by clear and convincing evidence. The burden of proof ***shall be*** [~~is~~] upon the law enforcement agency to prove by clear and convincing evidence that real property is forfeitable under this paragraph.

(k) All real property, including any right, title, and interest in the whole of any lot or tract of land and any appurtenances or improvements, which is used or intended to be used, in any manner or part, to commit, or to facilitate the commission of a violation of this chapter excluding any misdemeanor offense relating to marijuana, except that no property shall be forfeited under this paragraph, to the extent of an interest of an owner, by reason of any act or omission established by that owner to have been committed or omitted without the knowledge or consent of the owner.

(2) Title to all property, including all interests in the property, forfeit under this section vests in the Commonwealth on the commission of the act or omission giving rise to forfeiture under this section together with the proceeds of the property after the time. Any property or proceeds subsequently transferred to any person shall be subject to forfeiture and thereafter shall be ordered forfeited unless the transferee establishes in the forfeiture proceeding that he is a subsequent bona fide purchaser for value without actual or constructive notice of the act or omission giving rise to the forfeiture.

(3) If any of the property described in this section cannot be located; has been transferred to, sold to, or deposited with a third party; has been placed beyond the jurisdiction of the court; has been substantially diminished in value by any act or omission of the defendant; or, has been commingled with any property which cannot be divided without difficulty; the court shall order the forfeiture of any other property of the defendant up to the value of any property subject to forfeiture under this section.

Section 2. KRS 218A.415 is amended to read as follows:

(1) ***Personal*** property subject to forfeiture under this chapter may be seized by any law enforcement agency upon process issued by any ***judge that is empowered to issue a warrant of arrest or search warrant and in whose jurisdiction the property is located*** [~~court having jurisdiction over the property~~]. Seizure ***of personal property*** without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant;

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(c) The law enforcement agency has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(d) The law enforcement agency has probable cause to believe that the property ***is subject to forfeiture pursuant to*** [~~was used or is intended to be used in violation of~~] this chapter.

(2) Property taken or detained under this section shall not be subject to replevin, but ***shall be*** [~~is~~] deemed to be in the custody of the law enforcement agency subject only to the orders and decrees of the court having jurisdiction over the forfeiture proceedings. When property is seized under this chapter, the law enforcement agency may:

(a) Remove the property to a place designated by it; or

(b) Take custody of the property and remove it to an appropriate location for disposition in accordance with law.

(3) Real property subject to forfeiture may be seized only pursuant to final judgment and order of forfeiture or upon order of the court having jurisdiction over the property. The order may be obtained pursuant to this subsection upon application of the Commonwealth.

(a) Upon receipt of the application, the court shall immediately enter an order setting a date for hearing on the matter no fewer than five (5) days nor more than ten (10) days after the filing of the application. At the hearing:

1. The court shall take evidence on the issues of whether the property named in the application is forfeit and seizure is necessary to preserve the property pending final judgment.

2. The Commonwealth shall have the initial burden of showing the existence of probable cause for forfeiture of the property and the necessity of seizure. On the showing by the Commonwealth, the respondent shall have the burden of showing by a preponderance of the evidence that the property is not subject to forfeiture.

3. Evidence at the seizure hearing may not be suppressed on the ground that its acquisition by search or seizure violated constitutional protections applicable in criminal cases relating to unreasonable searches or seizures.

4. If the court makes a determination in favor of the Commonwealth, it shall enter an order authorizing the seizure of the property.

5. The court may, in its discretion, permit the owner of the property to post security equal to the value of the property in lieu of seizure.

(b) A temporary seizure order pursuant to this section may be entered on application without notice or an opportunity for a hearing if the Commonwealth demonstrates that there is probable cause to believe that the property with respect to which the order is sought is subject to forfeiture and the need to preserve the availability of property through immediate seizure outweighs the hardship that an immediate seizure may cause the owner. The temporary order shall expire ten (10) days after the date on which it is entered or at the time of the hearing provided for in paragraph (a) of this subsection.

Section 3. KRS 218A.420 is amended to read as follows:

(1) All property which is subject to forfeiture under this chapter shall be disposed of in accordance with this section.

(2) All controlled substances which are seized and forfeited under this chapter shall be ordered destroyed by the order of the trial court ***unless there is a legal use for them, in which case they may be sold to a proper buyer as determined by the Cabinet for Human Resources by promulgated regulations***. Property other than controlled substances may be destroyed on order of the trial court.

(3) When property other than controlled substances is forfeited under this chapter, the law enforcement agency may, [~~with the approval of the trial court and~~] subject to the provisions of KRS ***218A.435*** [~~218A.430~~]:

(a) Retain it for official use;

This lien shall not be defeated by gift, devise, sale, alienation or any means whatever except by sale to a subsequent bona fide purchaser for value without actual or constructive notice of the lien. The lien shall commence from the time the property becomes forfeit and shall have priority over any other obligation or liability following that time but shall be subordinate to any then existing perfected security interest on the property that is not itself subject to forfeiture.

(2) The Commonwealth may file on the official records of any one (1) or more counties a forfeiture lien notice of the lien created in subsection (1) of this section. No filing fee or other charge shall be required as a condition for filing the forfeiture lien notice, and the appropriate clerk shall, upon the presentation of a forfeiture lien notice, immediately record it in the official records.

(8) The Commonwealth may bring a civil proceeding in any Circuit Court against the trustee to recover from the trustee the amounts set forth in subsection (7) of this section, and the Commonwealth shall also be entitled to recover investigative costs and attorney's fees incurred.

(13) An agent of the Commonwealth shall have a continuing right to inspect property against which a forfeiture lien has been placed pursuant to this section and the Commonwealth shall have the authority to stay any civil foreclosure or repossession actions concerning property subject to the lien pending final order of forfeiture.

SECTION 9. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Jurisdiction in all forfeiture proceedings shall vest in the court where the conviction occurred regardless of the value of property subject to forfeiture.

(2) Following conviction of a defendant for any violation of KRS Chapter 218A, the court shall conduct an ancillary hearing to forfeit property if requested by any party other than the defendant or Commonwealth. The Commonwealth's attorney, or county attorney if the proceeding is in District Court, shall initiate the hearing by filing a motion requesting entry of a final order of forfeiture upon proof that the property was being used in violation of the provisions of this chapter. The final order of forfeiture by the court shall perfect in the Commonwealth or appropriate law enforcement agency, as provided in KRS 218A.435, right, title and interest in and to the property. The Commonwealth may transfer any real property so forfeited by deed of general warranty.

(3) If the property subject to forfeiture is of a type for which title or registration is required by law, or if the owner of the property is known in fact to the Commonwealth at the time of the hearing, or if the property is subject to a perfected security interest in accordance with the Uniform Commercial Code, KRS Chapter 355, the attorney representing the Commonwealth shall give notice of the ancillary hearing by registered mail, return receipt requested, to each person having such interest in the property, and shall publish notice of the forfeiture once each week for two (2) consecutive weeks in a newspaper of general circulation as defined in KRS Chapter 424 in the county where the forfeiture proceedings will occur. The notice shall be mailed and first published at least four (4) weeks prior to the ancillary hearing and shall describe the property; state the county, place and date of seizure; state the name of the law enforcement agency holding the seized property; and state the name of the court in which the ancillary hearing will be held and the date of the hearing. However, the Commonwealth shall be obligated only to make a diligent search and inquiry as to the owner of subject property; and if, after diligent search and inquiry, the Commonwealth is unable to ascertain the owner, the actual notice requirements by mail shall not be applicable.

(4) Unless otherwise expressly provided in KRS 218A.410, the burden shall be upon claimant to property to prove by preponderance of the evidence that it is not subject to forfeiture. Any claimant other than a person who holds title or registration to the property or who has a perfected security interest in the property shall be required to post a bond equivalent to ten percent (10%) of the appraised value of the property with the clerk of the court before being allowed to litigate the claim. The bond shall offset the costs of litigation incurred by the Commonwealth. A claimant may proceed in forma pauperis with leave of court upon sworn petition subject to the applicable rules and subject to the provisions of law concerning perjury.

(5) The procedures for forfeiture proceedings as established in this Act shall apply to any property subject to forfeiture which is pending as of the effective date of this Act.

1. The highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the interested shareholder for any shares of common stock of the same class or series acquired by it:

b. In the transaction in which it became an interested shareholder, whichever is higher; or

2. The market value per share of common stock of the same class or series on the announcement date or on the determination date, whichever is higher; or

3. The price per share equal to the market value per share of common stock of the same class or series determined pursuant to subparagraph 2. of this paragraph, multiplied by the fraction of:

a. The highest per share price, including any brokerage commissions, transfer taxes and soliciting dealers' fees, paid by the interested shareholder for any shares of common stock of the same class or series acquired by it within the five (5) year period immediately prior to the announcement date, over

b. The market value per share of common stock of the same class or series on the first day in such five (5) year period on which the interested shareholder acquired any shares of common stock;

(b) The aggregate amount of the cash and the market value as of the valuation date of consideration other than cash to be received per share by holders of shares of any class or series of outstanding stock other than common stock is at least equal to the highest of the following, whether or not the interested shareholder has previously acquired any shares of a particular class or series of stock:

1. The highest per share price, including any brokerage commissions, transfer taxes and soliciting dealers' fees, paid by the interested shareholder for any shares of such class of stock acquired by it:

(c) In making any price calculation under this section, appropriate adjustments shall be made to reflect any reclassification, including any reverse stock split; recapitalization; reorganization; or any similar transaction which has the effect of reducing the number of outstanding shares of the stock. The consideration to be received by holders of any class or series of outstanding stock is to be in cash or in the same form as the interested shareholder has previously paid for shares of the same class or series of stock. If the interested shareholder has paid for shares of any class of stock with varying forms of consideration, the form of consideration for such class of stock shall be either cash or the form used to acquire the largest number of shares of such class or series of stock previously acquired by it;

(b) Unless by its terms a resolution adopted under this subsection is made irrevocable, it may be altered or repealed by the board of directors, but this shall not affect any business combinations that have been consummated, or are the subject of an existing agreement entered into, prior to the alteration or repeal.

(b) The articles of incorporation or bylaws of the corporation may provide that if the board of directors adopts a resolution under paragraph (a) of this subsection, the resolution shall be subject to approval of the shareholders in the manner and by the vote specified in the articles of incorporation or the bylaws;

(c) An election under this subsection may be added to but may not be altered or repealed except by an amendment to the articles of incorporation adopted by a vote of shareholders meeting the requirements of subsection (5)(a)2. of this section; and

(d) If a corporation elects under this subsection to be included within the provisions of KRS 271B.12-210 generally, without qualification or limitation, it shall file with the secretary of state articles of amendment, including a copy of the resolution making the election and a statement describing the manner in which the resolution was adopted. (c) That the consumer acquires no ownership rights if the total amount necessary to acquire ownership is not paid.

(2) Any owner or personnel of any medium in which an advertisement appears or through which it is disseminated shall not be liable under this section.

(3) Subsection (1) of this section shall not apply to an advertisement:

(a) Which does not refer to a specific item of merchandise;

(b) Which does not refer to or state the amount of any payment; or

(c) Which is published in the yellow pages of a telephone directory or any similar directory of business.

(4) With respect to matters specifically governed by the federal Consumer Credit Protection Act, compliance with that act shall satisfy the requirements of this section.

SECTION 8. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

(1) A lessor who fails to comply with a requirement imposed in Section 2, 3, 4, or 5 of this Act with respect to a consumer shall be liable to the consumer in an amount equal to the greater of:

(a) The actual damages sustained by the consumer as a result of the violation, plus the costs of the action and reasonable attorneys' fees; or

(b) In the case of an individual action, twenty-five percent (25%) of the total of payments necessary to acquire ownership but not less than one hundred dollars ($100) nor greater than one thousand dollars ($1,000), plus the costs of the action and reasonable attorneys' fees; or

(c) In the case of a class action, the amount the court determines to be appropriate with no minimum recovery as to each member, plus the costs of the action and reasonable attorneys' fees. The total recovery in any class action or series of class actions arising out of the same violation shall not be more than the

lesser of five hundred thousand dollars ($500,000), plus the costs of the action and reasonable attorneys' fees or one percent (1%) of the net worth of the lessor, plus the costs of the action and reasonable attorneys' fees. In determining the amount of any award in a class action, the court shall consider, among other relevant factors, the amount of actual damages awarded, the frequency and persistence of the violation, the lessor's resources, and the extent to which the lessor's violation was intentional.

(2) In the case of an advertisement, any lessor who fails to comply with the requirements of Section 7 of this Act with regard to any person shall be liable to that person for actual damages suffered from the violation, the costs of the action, and reasonable attorneys' fees.

(3) If there are multiple lessors, liability shall be imposed only on the lessor who made the disclosures. If no disclosures have been given, liability shall be imposed on all lessors.

(4) If there are multiple consumers in a rental-purchase agreement, there shall be only one (1) recovery of damages under subsection (1) of this section for a violation of this Act.

(5) Multiple violations in connection with a rental-purchase agreement shall entitle the consumer to a single recovery under this section.

(6) A consumer shall not take any action to offset any amount for which a lessor is potentially liable under subsection (1) of this section against any amount owed by the consumer, unless the amount of the lessor's liability has been determined by judgment of a court of competent jurisdiction in an action in which the lessor was a party. This subsection shall not bar a consumer then in default on the obligation from asserting a violation of this Act as an original action, or as a defense or counterclaim to an action brought by lessor to collect amounts owed by the consumer.

(7) In connection with any transaction covered under this Act, the lessor shall preserve evidence of compliance with the provisions of the Act for not less than two (2) years from the date of consummation of the agreement.

SECTION 9. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

A civil action under this Act may be brought in any court of competent jurisdiction within one (1) year of the date of the occurrence of any violation or within six (6) months of the time the rental-purchase agreement, together with any renewals or extensions thereof, ceases to be in effect, whichever is greater. Notwithstanding the above, a civil action under this Act may be maintained by way of recoupment or counterclaim in an action brought against the consumer by the lessor or its assignee.

SECTION 10. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

(1) A lessor shall not be liable under Section 9 of this Act for a violation of this Act if the lessor shows by a preponderance of the evidence that the violation was not intentional and resulted from a bona fide error, such as a clerical miscalculation, computer malfunctions, programming error, or printing error, even though the lessor maintained procedures reasonably adapted to avoid such an error. An error of legal judgment with respect to requirements of this title shall not be considered a bona fide error.

(2) A lessor shall not be liable under Section 9 of this Act for any act done or omitted in good faith in conformity with any administrative regulation or interpretation promulgated by the Attorney General or by the division or by an official duly authorized by the Attorney General or by the division. This rule shall apply even if, after the act or omission has occurred, the regulation or interpretation is amended, rescinded, or determined by judicial or other authority to be invalid for any reason.

(3) A lessor shall not be liable under Section 9 of this Act for any error if, before the thirty-first day after the date the merchant discovers the error and before an action against the lessor has been filed or written notice of the error received by the lessor, the lessor gives the consumer written notice of the error and makes adjustments in the consumer's account as necessary to assure that the consumer will not be required to pay an amount in excess of the amount disclosed and that the agreement otherwise complies with this Act.

Section 11. KRS 367.990 is amended to read as follows:

HB 388, AN ACT relating to the Kentucky FAIR Plan and Reinsurance Association.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.35-030 is amended to read as follows:

(1) The "FAIR" plan and articles of association shall make provision for a Reinsurance Association having authority on behalf of its members as their agent to cause to be issued property and casualty insurance policies, to reinsure in whole or in part any such policies, and to cede any such reinsurance. The plan and articles of association shall provide, among other things, for the lines of business to be written, policy forms to be used, perils to be covered, geographical area of coverage, compensation and commissions, assessments of members (which assessments annually shall not exceed [~~one-fourth of~~] one percent ([~~1/4 of~~] 1%) of any such member's net direct premium written on a voluntary basis in this state during the preceding year), participation in the writings, expenses, income and losses in the proportion each member's property and casualty premiums written bear to the aggregate property and casualty premiums voluntarily written by all members, the administration of the plan and association, and any other matter necessary or convenient for the purpose of assuring fair access to insurance requirements.

(2) If the commissioner, in the fulfillment of the duties imposed on him by KRS 304.13-041, determines that a reasonable degree of competition does not exist in the market for any lines of insurance, within the definitions of KRS 304.5-050 (property insurance) and KRS 304.5-070 (casualty insurance), or either of them, and issues an order to that effect, the commissioner shall order the governing committee to promptly amend the plan to include such line or lines of business unless, in the commissioner's opinion, an effective residual market mechanism as defined in KRS 304.13-011(8) is already then functioning to provide basic insurance requirements to worthy applicants for reasonable amounts of coverage under such line or lines of insurance with insurers licensed to do business in this state. For accounting and rate-making purposes, the commissioner may require the plan to provide for the establishment and maintenance of separate accounts for any line included in the plan pursuant to this section.

Section 2. KRS 304.35-040 is amended to read as follows:

(1) The Reinsurance Association shall be governed by a committee consisting of seven (7) persons to be appointed by the commissioner of insurance within five (5) days from July 15, 1980. The governing committee shall be composed of two (2) persons representing insurers chartered under the laws of the Commonwealth of Kentucky, one (1) person representing an insurer that is neither chartered under the laws of the Commonwealth of Kentucky nor affiliated with one (1) of the national insurance trade associations, one (1) person representing an insurer from each of the following three (3) associations: American Insurance Association, Alliance of American Insurers, National Association of Independent Insurers, and one (1) licensed insurance agent.

(2) Within thirty (30) days following July 15, 1980, the governing committee of the association shall submit to the commissioner of insurance, for his review, a proposed "FAIR" plan and articles of association consistent with the provisions of this subtitle.

(3) The "FAIR" plan and articles of association shall be subject to approval by the commissioner of insurance and shall take effect five (5) days after having been approved by him. If the commissioner disapproves

all or any part of the proposed plan and articles, the governing committee of the association shall within fifteen (15) days submit for review an appropriately revised plan and articles; and, if the governing committee fails to do so, the commissioner shall thereafter promulgate such plan and articles consistent with the provisions of this subtitle.

(4) The governing committee of the association may, on its own initiative or shall at the request of the commissioner, amend the plan and articles, subject to approval by the commissioner.

(5) The governing committee of the association shall, on or before April 1 of each year, file with the commissioner, on such forms as the commissioner requires, an accounting of the plan's operations during the preceding calendar year together with its financial condition, and its underwriting experience as to each separate account maintained therein, as of the end of such year. The commissioner may require interim accountings on a quarterly basis or examine the affairs of the association when, in his opinion, such action is necessary to determine the continued solvency of the Reinsurance Association.

(6) If at any time the commissioner determines that the Reinsurance Association is or may become unable to meet its financial obligations during the current year, the commissioner shall order the governing committee to levy appropriate assessments within the limitations of KRS 304.35-030(1) against all members. [~~If the commissioner further determines that such assessment, when levied at the maximum rate for any account during any calendar year, is or may be insufficient to maintain the solvency of the reinsurance association for at least one year, the commissioner shall order each member to collect a premium surcharge for the benefit of the reinsurance association of one dollar ($1.00) from the holder of each individual policy or certificate written or renewed either voluntarily by such member or as a residual market mechanism assignment during the subsequent twelve (12) month period. Such policy or certificate surcharge shall be remitted monthly to the association by each member and shall be in addition to any assessments levied against the member pursuant to KRS 304.35-030(1) by the governing committee.~~]

The alphabetical list of claims shall serve as a certified copy of orders of allowance by the court for each and every claim listed thereon, and notwithstanding any statutory provision to the contrary, a copy of the order of allowance shall not be required for any claim listed thereon before payment may be made unless deemed necessary by the Finance and Administration Cabinet~~]. The Finance and Administration Cabinet shall keep a separate record of all claims allowed in each county, noting the number and amount of each warrant issued for the payment of such claims.

(2) The order of any court authorized by law to approve and allow fee-bills, settlements, credits, charges and other claims against the State Treasury shall not be treated as a judgment, or made conclusive against the state, but shall only be regarded as prima facie evidence of the correctness and legality of the fee-bill, settlement, credit, charge or claim. The Finance and Administration Cabinet, if it believes such fee-bill, settlement, credit, charge or claim to be fraudulent, erroneous or illegal, may, upon the advice of the Attorney General, refuse to pay and may contest the claim in the Franklin Circuit Court, which shall have exclusive jurisdiction of all actions against the Finance and Administration Cabinet to compel the payment of claims against the State Treasury.

HB 391, AN ACT relating to revenue and taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 131.500 is amended to read as follows:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the Revenue Cabinet as provided by the laws of the Commonwealth and if ***the*** [~~such~~] person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if ***the*** [~~such~~] person has sought but exhausted all administrative and judicial review so that the assessment is final, due and owing, [~~then~~] the secretary of revenue or his delegate may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for ten (10) days after the demand, [~~then~~] the secretary or his delegate may levy upon and sell all property and rights to property found within the Commonwealth belonging to ***the*** [~~such~~] person or on which there is a lien provided by KRS 134.420, except ***the*** [~~such~~] property ***that*** [~~as~~] is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427, for the payment of the amount of the tax, penalty, interest and cost of the levy.

(2) As soon as practicable after seizure of property, notice in writing shall be given by the secretary or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. ***The*** [~~Such~~] notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

(3) The secretary or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. ***The*** [~~Such~~] notice shall be published once each week for three (3) successive weeks. In addition, ***the*** [~~such~~] notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.

(4) If any property liable to levy is not divisible, so as to enable the secretary or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest and cost of the levy, the whole of ***the*** [~~such~~] property shall be sold.

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the secretary.

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the secretary or his delegate may offer ***the*** [~~such~~] items for sale separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The secretary or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of ***the*** [~~such~~] payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the secretary or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the Circuit Court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the secretary, the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. ***If*** [~~In the event of such~~] readvertisement and sale ***occur***, any new purchaser shall receive ***the*** [~~such~~] property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by ***the*** [~~such~~] defaulting purchaser shall be forfeited.

(8) If the secretary or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that ***the*** [~~such~~] property cannot be kept without great expense, he shall appraise the value of ***the*** [~~such~~] property and, if the owner of the property can be readily found, the secretary or his delegate shall give him notice of ***the*** [~~such~~] determination of the appraised value of the property. The property shall be returned to the owner if, within ***the*** [~~such~~] time [~~as may be~~] specified in the notice, the owner pays to the secretary or his delegate an amount equal to the appraised value, or gives bond in ***the*** [~~such~~] form, with ***the*** [~~such~~] sureties, and in ***the*** [~~such~~] amount as the secretary or his delegate determines to be appropriate in the circumstances. If the owner does not pay ***the*** [~~such~~] amount or furnish ***the*** [~~such~~] bond in accordance with this subsection, the secretary or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than five (5) years after the assessment becomes final.

(10) The term "levy" as used in this section ***shall include*** [~~includes~~] the power of distraint and seizure by any means. Except as otherwise provided in KRS 131.510(2)(a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the secretary or his delegate may levy upon property or rights to property, he may seize and sell ***the*** [~~such~~] property or rights whether real, personal, tangible or intangible.

(11) Notwithstanding the provisions of KRS Chapters 45, 45A and 56, the cabinet may take all necessary steps to provide for the protection, maintenance, or transportation of all property seized by the cabinet pursuant to the provisions of this section, including, but not limited to, negotiating directly for the procurement of contractual services, including professionals, supplies, materials, equipment or the leasing of real and personal property. Every effort shall be made to effect a competitively established price for purchases made pursuant to this section.

Section 2. KRS 134.420 is amended to read as follows:

(1) The state and each county, city or other taxing district shall have a lien on the property assessed for taxes due them respectively for five (5) years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation or any means [~~whatever~~] except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering ***the*** [~~such~~] taxes. The lien shall include all interest, penalties, fees, commissions, charges and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. ***Every city of the third, fourth, fifth and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.***

(2) If any person liable to pay any tax administered by the Revenue Cabinet, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall arise at the time the assessment is made by the Revenue Cabinet or at the time the return is filed by the taxpayer with insufficient payment and shall be enforceable until the liability is paid or extinguished through the appeal process enumerated in KRS 131.110 and 131.340.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the secretary of the Revenue Cabinet or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the Revenue Cabinet shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

[~~(2) The state shall have a lien of equal rank with the lien provided in subsection (1) of this section on all property of a taxpayer who owes any property tax, license tax, inheritance or estate tax, excise tax, income tax, or other tax, when such taxes are not included in or covered by the lien provided in subsection (1) of this section. This lien shall arise at the time any assessment becomes delinquent, and it shall continue until the amount of the original assessment and any subsequent assessments of liability for taxes, fees, penalties, interest or costs are fully paid. The lien shall attach to all interest in property, either real or personal, tangible or intangible, in this state then owned or subsequently acquired by the person against whom the assessment is made. The revenue cabinet may file notice of the lien and every city of the third, fourth, fifth and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property and such notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens. Such recordation shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the revenue cabinet shall disclose the specific amount of liability at a given date to any interested party legally entitled to such information. The lien of the Commonwealth of Kentucky for taxes shall be superior to all liens and security interests created under Kentucky law except that nothing in this subsection shall be construed to alter or change in any way the law relative to the rights and duties of a holder in due course as provided in KRS Chapter 355, Art. 3, or affect the rights of any person taking the property or a lien thereon for value without actual or constructive notice. The clerk may charge a fee pursuant to KRS 64.012 for filing the notice of lien or releasing the lien. The fees for filing or releasing the lien shall be paid by the taxing authority filing same and shall become a part of the lien as an added cost of the delinquent taxpayer to be paid by him as a part of the amount necessary to release the lien. The lien shall be released by the taxing authority that filed the notice of lien.~~]

Section 3. KRS 382.335 is amended to read as follows:

(1) No county clerk shall receive or permit the recording of any instrument by which the title to real estate or personal property, or any interest therein or lien thereon, is conveyed, granted, encumbered, assigned or otherwise disposed of; nor receive any instrument or permit any instrument, provided by law, to be recorded as evidence of title to real estate; and shall not receive or permit any instrument, relating to the organization or dissolution of a private corporation, unless ***the*** [~~such~~] instrument has endorsed on it, a printed, typewritten or stamped statement showing the name and address of the individual who prepared the instrument, and ***the*** [~~such~~] statement is signed by ***the*** [~~such~~] individual.[~~, provided, however, that~~] The person who prepared the instrument may execute his signature by affixing a facsimile of his signature on the instrument. This subsection shall not apply to any instrument executed or acknowledged prior to July 1, 1962.

(2) No county clerk shall receive or permit the recording of any instrument by which the title to real estate or any interest therein is conveyed, granted, assigned or otherwise disposed of unless ***the*** [~~such~~] instrument contains the mailing address of the grantee or assignee. This subsection shall not apply to any instrument executed or acknowledged prior to July 1, 1970.

(3) This section ***shall*** [~~does~~] not apply to wills ***or to statutory liens in favor of the Commonwealth.***

(4) The receipt for record and recording of any instrument by the county clerk without compliance with the provisions of this section shall not prevent ***the*** [~~such~~] record of filing of the instrument from becoming notice as otherwise provided by law, nor impair the admissibility of the record as evidence.

Section 4. KRS 281.602 is amended to read as follows:

The department of vehicle regulation shall have the authority to file the notice of a lien with the county clerk prescribed in subsection (2) ***through (5)*** of KRS 134.420, with respect to any license tax, excise tax, motor fuel tax or other motor vehicular tax administered by the bureau.

The Committee Amendment No. 1 to **HB 391** is as follows:

Amend printed copy of **HB 391** on page 6, line 7, after the word "***section.***" A new sentence to read as follows "***The cabinet shall report any procurements of contractual services, supplies, materials, equipment, or the leasing of real and personal property, to the Secretary of the Finance and Administration Cabinet within sixty days of the transaction.***"

HB 465, AN ACT relating to property tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 134.230 is amended to read as follows:

(1) The sheriff shall, before he qualifies and before he assumes the duties of the office for the first time, enter into bond with surety for the faithful performance of his duties as revenue collector. This bond shall cover liability to account, as provided by law, for all charges of taxes made against him, and for all money received by him as revenue collector from the date he assumes the duties of the office to and including ***July*** [~~May~~] 31 of the same year. He shall enter into bond with surety thereafter before or as of ***August*** [~~June~~] 1 of each succeeding year of the term of his office, except that the expiration date of the bond for the last year in the term shall be to and including March 15. The county judge/executive shall hold a hearing at any time the sheriff may request for the purpose of executing bond.

(2) The county judge/executive, except in case of a corporate surety, shall judge of the sufficiency of the surety, and in no case shall sureties be taken who are not jointly worth, subject to execution after the payment of all their debts and liabilities, a sum equal to the aggregate amount of state tax receipts that will probably be received by the sheriff during the year or period succeeding the execution of the bond. Where a corporate surety bond is offered, it shall be for a sum not less than the largest amount of state tax receipts that the sheriff will probably have in his possession at any one time. The county judge/executive, with the approval of the Revenue Cabinet, shall determine the amount of the corporate surety bond and judge of the sufficiency of the surety.

(3) The county judge/executive may require the sheriff to give additional bond, with good surety to be approved by the county judge/executive, whenever the county judge/executive deems it necessary in the interest of the state or county.

Section 2. KRS 134.325 is amended to read as follows:

Each sheriff shall make his settlement with the Revenue Cabinet for all taxes collected for the Commonwealth before ***August*** [~~June~~] 1 of each year during his term of office. In the event that any sheriff resigns, dies or otherwise vacates his office, the settlement shall be made within thirty (30) days from the date that the office is vacated. Any sheriff who shall fail to make the settlement as required by law shall be subject to indictment in the county of his residence and fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500).

Section 3. KRS 134.330 is amended to read as follows:

(1) No tax bill or tax book shall be delivered to the sheriff after ***July 31*** [~~May 30~~] of the second or any subsequent calendar year of the sheriff's regular term until he exhibits a quietus from the Revenue Cabinet and from the fiscal court of his county for the preceding tax period and his revenue bond for the next tax year.

(2) If the tax records of a county are destroyed by fire, lost, stolen or mutilated so as to require reassessment of the property in the county or a re-certification of the tax bills, the sheriff shall have five (5) months from the time he receives the recertified tax bills within which to make settlement with the cabinet and the fiscal court, and to receive his quietus from the cabinet and the fiscal court.

Section 4. KRS 134.370 is amended to read as follows:

(1) The sheriff, in reporting to the fiscal court or the Revenue Cabinet the names of persons owing uncollectible delinquent tax claims ***other than certificates of delinquency***, shall submit to the fiscal court all tax bills in his possession against those persons. That court ***shall then direct the county attorney to prosecute all remedies provided*** [~~may arrange~~] for the collection of these [~~uncollected~~] bills [~~as it deems proper, if its action does not conflict with any powers and duties vested in the secretary of revenue, but no arrangement for the collection of the bills involving taxes due the state shall be valid without the approval of the secretary. Any bills not disposed of in one (1) year by the fiscal court may be disposed of by the secretary~~]. ***If the***

county attorney has taken no action for the collection of the bills within one (1) year, the collection duties may be assumed by the Revenue Cabinet. Uncollectible tax claims shall bear interest at twelve percent (12%) per annum from the date the sheriff makes settlement with the cabinet and receives credit therefor. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) Each county attorney who fulfills his duties with regard to the collection of these delinquent tax bills, shall be entitled to twenty percent (20%) of the amount due each taxing district, whether the tax claim is paid voluntarily or is paid under court order. The commission shall be paid by the county clerk when making distributions of the amounts collected. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the commission on the amount collected for each taxing unit. When the cabinet performs the duties of the county attorney without his assistance or cooperation, the fee which would otherwise be paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

Section 5. KRS 134.450 is amended to read as follows:

(1) Any tax claim offered for sale as prescribed in KRS 134.430 and 134.440 shall be sold to any person for cash. If there is more than one (1) willing purchaser at the sale, the one (1) having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person the sale shall be made to the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible bid in the amount of the tax claim is received, the sheriff shall purchase it for the state, county and taxing districts having an interest in the tax claim. In such case the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one (1) other than the state, county or taxing district is the purchaser.

(3) The sheriff shall return all certificates of delinquency to the county clerk, after he has made his settlement with the state and not later than ***August*** [~~June~~] 2 of each year, and the clerk shall file them. If the sheriff fails to return the certificates he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

Section 6. KRS 134.500 is amended to read as follows:

(1) Within fifty (50) days after the issuance of a certificate of tax delinquency to the state, county and taxing district, the county attorney shall cause a notice of the purchase to be ***mailed*** [~~served by the sheriff personally or~~] by certified mail, return receipt requested, on the person in whose name the property was assessed, and advise him that the certificate is a lien of record against his land that bears interest at twelve percent (12%) per annum, and if not paid the county attorney will proceed as provided by law to collect same. A copy of the [~~return of the sheriff or the~~] return receipt shall be filed by the ***county attorney*** [~~sheriff~~] in the office of the county clerk in the manner prescribed by the Revenue Cabinet. Failure to prepare such notice shall not affect the validity of the claim of the state, county and taxing district. ***The cost of mailing the notice shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the mailing expense.***

(2) The county attorney shall prosecute the remedy or remedies provided in this chapter that are most likely to effect collection of the amount due on the certificate of delinquency. Upon the failure of the county attorney to give the notices provided in this section, or to prosecute the remedies for collection of certificates within twelve (12) months after the right to collect accrued, or to duly complete the performance of any other duties necessary to collect the claims of the state, county and taxing districts for taxes, the Revenue Cabinet may perform such duties.

(3) The county attorney who prepares the notice and has it ***mailed and*** filed, as provided in subsection (1) of this section, and performs his other duties in respect to the certificate of delinquency, shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and such commission shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the commission on the amount collected for each taxing unit.

When the cabinet performs the duties of the county attorney without his assistance or cooperation, the fee which would otherwise be paid the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(4) Any action on behalf of the state, county and taxing districts authorized by this section or by KRS 134.470, 134.490 or 134.540 must be filed on relation of the secretary of revenue, and the petition shall be sent to the cabinet, which may require revision thereof in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all such actions, and may send him special assistance when the secretary deems such assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who cooperates in prosecuting the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

SCR 4, A CONCURRENT RESOLUTION directing a study of the Commonwealth's legal and practical liability for debt issued by local governments and by independent state debt issuing authorities.

WHEREAS, debt issued by cities, counties, and special districts accounts for nearly two-thirds of the total outstanding debt issued by governments in Kentucky; and

WHEREAS, debt issued by non-appropriation supported, independent state debt-issuing authorities accounts for over forty percent of the debt issued by state authorities and represents the fastest growing category of state debt since 1980; and

WHEREAS, there exists considerable uncertainty regarding the legal and practical fiscal liability of the General Assembly in the event of a default on a bond issued by a local government or a non-appropriation supported, independent state debt-issuing authority; and

WHEREAS, the General Assembly may want to establish more stringent oversight and reporting procedures regarding the debt for which it does have significant legal and practical responsibility;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. That the Legislative Research Commission conduct a detailed study of the legal and practical liability of the General Assembly in the event of a default on a bond issued by a unit of Kentucky local government or by a non-appropriation supported, independent state debt-issuing authority. The study shall include but not be limited to the following:

(1) Assessment of the legal and practical liability of the General Assembly in the event of a default on a bond:

(a) Issued by a state independent debt-issuing authority but which debt was not intended to be serviced by an appropriation of the General Assembly. Examples of these authorities include, but are not limited to the Kentucky Development Finance Authority, the Kentucky Housing Authority, the Kentucky Infrastructure Authority, the Kentucky Higher Education Student Loan Corporation, the Kentucky Local Correctional Facilities Construction Authority, and the Kentucky Agricultural Finance Corporation;

(b) Issued by a city, county or special district and which debt service is intended to come from an appropriation of that governing body;

(c) Issued by a city, county or special district and which debt service is not intended to come from an appropriation of that governing body. Industrial revenue bonds are an example of this category of debt;

(d) Issued by any private organization for the purpose of establishing a bond pool for use by units of Kentucky government, including, but not limited to, those established by the Kentucky League of Cities and the Kentucky Association of Counties;

(2) Recommendations concerning reporting and oversight procedures which should be established for any category of debt for which the General Assembly is determined to have significant legal and practical liabilities.

Section 2. That the study be completed no later than July 1, 1991, for referral to the appropriate committee of jurisdiction to consider study recommendations.

Section 3. Staff services to be utilized in completing this study are estimated to cost ten thousand dollars ($10,000) and shall be provided from the regular Legislative Research Commission budget, subject to the limitations and other research responsibilities of the Commission.

SCR 5, A CONCURRENT RESOLUTION reauthorizing and reestablishing a task force to study debt limits and other issues related to the creation of debt.

WHEREAS, the 1988 Regular Session of the General Assembly authorized and established a task force to determine safe levels of debt and develop a debt capacity model;

WHEREAS, the task force has prepared legislation for adoption by the 1990 Regular Session of the General Assembly the effects of which, if adopted, should be observed by a body familiar with the intent of the legislation; and

WHEREAS, the task force, during the course of its deliberations and study, identified areas related to the question of debt limits which were not addressed due to insufficient time to do so, but should be addressed;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. That the General Assembly should reestablish a task force to continue the study of state debt limits and study other issues related to the creation of debt. HB 30, AN ACT relating to recycling.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

It is the finding of the General Assembly that a necessary component of waste management must be to reduce the quantity of waste; that recycling reduces the quantity of solid waste and reduces the costs to the state and local governments for collecting, transporting, landfilling, or incinerating solid waste, reduces litter on roadsides and waterways, creates income producing opportunities, and conserves energy and raw materials. It is also the finding of the General Assembly that government makes purchases in large volumes which significantly affects the availability, variety, price, and consumer acceptance of the products and services purchased by government. The General Assembly further finds that by eliminating policies and practices which discriminate against government procuring recycled material content products as well as products and services compatible with recycled material content goods, and that by requiring government purchases of products which contain the maximum possible amount of recycled materials, the availability and variety of recycled material content products will increase and removal and recycling of materials from the solid waste stream will grow. Finally, the General Assembly finds that instituting policies and practices to stimulate the availability and use of recycled material content products will help educate business and individual consumers about the value of recycling as a component of a waste management policy.

SECTION 2. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

As used in this chapter unless the context clearly indicates otherwise, "state agency" means any agency of the executive, legislative, or judicial branch of state government which purchases goods or services through a centralized state purchasing agency or which is authorized to directly purchase goods and services.

SECTION 3. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Nothing in this Act shall prohibit a state agency from purchasing goods, supplies, equipment, materials and printing for which a recycled material content substitute is not available or when the state agency can justify specifications for goods, supplies, equipment, materials and printing which cannot be met by recycled material content substitutes.

SECTION 4. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Every state agency shall review and revise existing procurement procedures and specifications for the purchase of goods, supplies, equipment, material and printing to:

(a) Eliminate procedures and specifications that explicitly or indirectly discriminate against goods, supplies, equipment, material, and printing with recycled material content;

(b) Require the use of goods, supplies, equipment, materials, and printing, which are of the highest degree of durability, reusable, recyclable, or which are compatible with goods, supplies, equipment, material, and printing with recycled material content; and

(c) Eliminate unnecessary specifications for goods, supplies, equipment, material, and printing when less expensive alternative specifications may be substituted without affecting the intended use of what is purchased.

SECTION 5. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Every state agency shall purchase goods, supplies, equipment, materials and printing, which have a minimum recycled material content as set by regulations promulgated by the cabinet. For goods, supplies, equipment, materials and printing for which the United States Environmental Protection Agency has adopted procurement guidelines pursuant to the Resource Conservation and Recovery Act of 1976, as amended, the minimum percentage of recycled material content shall not be less than specified in the guidelines.

(2) Every vendor of goods, supplies, equipment, materials and printing which meet the requirements for recycled material content shall be given a price preference of ten percent (10%) when compared to vendors offering goods, supplies, equipment, materials and printing which do not meet the requirements. The vendor shall give a certification declaring the percentage of recycled material content of what is being offered.

SECTION 6. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Every person entering into a contract with a state agency for building, altering, repairing, improving, or demolishing any public structures or buildings or other improvements to any public real property shall use goods, supplies, equipment, materials and printing necessary to fulfill the contract which meet the requirements for recycled material content.

SECTION 7. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Every project within Kentucky financed fifty percent (50%) or more by bonds issued by a state agency shall be undertaken with goods, supplies, equipment, materials and printing which meet the requirements for recycled material content.

SECTION 8. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Every state agency shall revise procurement procedures in order to inform all vendors offering goods, supplies, equipment, materials and printing to state agencies, all persons seeking to enter into contracts with state agencies, all persons seeking to undertake projects within Kentucky financed fifty percent (50%) or more by bonds issued by state agencies of the requirements of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Every county, city, school district and special district may purchase goods, supplies, equipment, material and printing through the central purchasing agency of the state. Counties, cities, school districts and special districts which purchase goods, supplies, equipment, material and printing through the state shall receive a fifty percent (50%) reduction of any administrative cost fee the central purchasing agency is authorized to charge.

SECTION 10. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Rigid plastic bottles or rigid plastic containers with labels and basecups of a different material

shall be coded by each plastic type. The code shall consist of a number placed inside a triangle and letters placed below the triangle. The triangle shall be equilateral, formed by three (3) arrows with the apex of each point of the triangle at the midpoint of each arrow, rounded with a short radius. The pointer or arrowhead of each arrow shall be at the midpoint of each side of the triangle with a short gap separating the pointer from the base of the adjacent arrow. The triangle, formed by the three (3) arrows curved at their midpoints, shall depict a clockwise path around the code number. The numbers and letters used shall be as follows:

1 = **PETE (polyethylene terephthalate)**

2 = **HDPE (high density polyethylene)**

3 = **V (vinyl)**

4 = **LDPE (low density polyethylene)**

5 = **PP (polypropylene)**

6 = **PS (polystyrene)**

7 = **OTHER (represents all other resins, including layered plastics of a combination of materials)**

SECTION 11. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The cabinet shall, when necessary in implementing this Act, use definitions and resin codes which are the same as those most widely used in other government jurisdictions and which shall more likely promote the recycling of waste.

SECTION 12. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

HB 30, AN ACT relating to recycling.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 45A IS CREATED TO READ AS FOLLOWS:

It is the finding of the General Assembly that a necessary component of waste management must be to reduce the quantity of waste; that recycling reduces the quantity of solid waste and reduces the costs to the state and local governments for collecting, transporting, landfilling, or incinerating solid waste, reduces litter on roadsides and waterways, creates income producing opportunities, and conserves energy and raw materials. It is also the finding of the General Assembly that government makes purchases in large volumes which significantly affects the availability, variety, price, and consumer acceptance of the products and services purchased by government. The General Assembly further finds that by eliminating policies and practices which discriminate against government procuring recycled material content products as well as products and services compatible with recycled material content goods, and that by requiring government purchases of products which contain the maximum possible amount of recycled materials, the availability and variety of recycled material content products will increase and removal and recycling of materials from the solid waste stream will grow. Finally, the General Assembly finds that instituting policies and practices to stimulate the availability and use of recycled material content products will help educate business and individual consumers about the value of recycling as a component of a waste management policy.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city or ***county or*** urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective January 1 or July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least sixty (60) days prior to the effective date, a copy of all ordinances and amendments thereto which impose any such license fee or tax. The commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those cities or ***county or*** urban-county governments which have elected to impose such license fees or taxes and the current amount of such license fee or rate of tax.

(2) Any license fee or tax imposed by such a city or ***county or*** urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and if so based, shall be applied to the amount of such premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of such city or ***county or*** urban-county government.

(3) Any license fee or tax imposed by such a city or ***county or*** urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by such company within each calendar quarter on risks located within the corporate limits of the city or ***county or*** urban-county government on those classes of business which such company is authorized to transact, less all premiums returned to policyholders; however, any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or death caused thereby, under the provisions of the worker's compensation act.

(4) The Department of Insurance shall, by ***administrative*** regulation, provide for a ***uniform system of city, county, or urban-county government tax collection which shall include the following:***

(a) That the ultimate premiums charged policyholders by an insurer subject to this section shall not be unfairly or discriminately applied to similar risks who are subject to differing city, county, or urban-county government tax rates or between those subject to a tax and those who are not;

(b) If city, county, or urban-county government taxes are included in the premium, each policy issued to an insured shall include a notice that the premium includes a charge for the taxes; and

(c) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting ***the*** [~~such~~] tax***, except***[~~; provided, however,~~] that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city***, county*** or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection and remittance of the fee or tax and collection fee provided ***in this section*** [~~herein~~], the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee ***in this section*** [~~herein~~], may be rounded off to the nearest dollar amount.

(5) ***Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this Act, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.***

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by ***administrative*** regulations promulgated by the department of insurance.

(7)[~~(6)~~] Upon written request of the legislative body of any city or ***county or*** urban-county government, at the expense of the requesting city or ***county or*** urban-county government, which shall be paid in advance by such city or ***county or*** urban-county government to the department of insurance, the department of insurance shall examine or cause to be examined by contract with qualified auditors the books or records of the insurance companies or agents subject to such fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of such examination shall be reported to such city or ***county or*** urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city or ***county or*** urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8)[~~(7)~~] The license fees or taxes provided for by subsections (2), and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Such interest payable to the city or ***county or*** urban-county government is separate of penalties provided for in subsection (6) of this section. No city or ***county or*** urban-county government may impose any penalties other than those provided for in this subsection.

(10)[~~(9)~~] No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225(2) and 18A.228.

(11) No license fee or tax imposed under this section shall apply to premiums received on policies issued to public service companies which pay ad valorem taxes.

Section 2. KRS 68.197 is amended to read as follows:

(1) The fiscal court of each county having a population of thirty thousand (30,000) or more, may by order or resolution impose license fees on franchises, provide for licensing any business, trade, occupation or profession, and the using, holding or exhibiting of any animal, article or other thing. Licenses imposed for regulatory purposes are not subject to such limitations as to form and amount. No public service company that pays an ad valorem tax is required to pay a license tax, and no license tax shall be imposed upon or collected from any insurance company ***except as provided in KRS 91A.080***, bank, trust company, combined bank and trust company, combined trust, banking and title business in this state, or any savings and loan association whether state or federally chartered, or in other cases where the county is prohibited by law from imposing a license tax.

(2) No such license fee shall be imposed or collected on income received by members of the Kentucky national guard for active duty training, unit training assemblies and annual field training.

(3) Persons who pay a county license fee pursuant to this section and who also pay a license fee to a city contained in the county may upon agreement between the county and the city, credit their city license fee against their county license fee.

(4) The provisions of subsection (3) of this section notwithstanding, effective with license fees imposed under the provisions of subsection (1) of this section on or after July 15, 1986, persons who pay a county license fee and a license fee to a city contained in the county shall be allowed to credit their city license fee against their county license fee.

(8)[~~(7)~~] The license fees or taxes provided for by subsections (2), and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Such interest payable to the city or ***county or*** urban-county government is separate of penalties provided for in subsection (6) of this section. No city or ***county or*** urban-county government may impose any penalties other than those provided for in this subsection.

(10)[~~(9)~~] No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225(2) and 18A.228.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

Section 2. KRS 68.197 is amended to read as follows:

(1) The fiscal court of each county having a population of thirty thousand (30,000) or more, may by order or resolution impose license fees on franchises, provide for licensing any business, trade, occupation or profession, and the using, holding or exhibiting of any animal, article or other thing. License fees on such business, trade, occupation, or profession for revenue purposes, except those of the common schools, may be imposed at a percentage rate not to exceed one percent (1%) of:

(a) Salaries, wages, commissions and other compensation earned by persons within the county for work done and services performed or rendered in the county;

(b) The net profits of self-employed individuals, partnerships, professional associations, or joint ventures resulting from trades, professions, occupations, businesses or activities conducted in the county; and

(c) The net profits of corporations resulting from trades, professions, occupations, businesses or activities conducted in the county.

In order to reduce administrative costs and minimize paperwork for employers, employees and businesses, the fiscal court may provide:

Licenses imposed for regulatory purposes are not subject to such limitations as to form and amount. No public service company that pays an ad valorem tax is required to pay a license tax, and no license tax shall be imposed upon or collected from any insurance company ***except as provided in KRS 91A.080***, bank, trust company, combined bank and trust company, combined trust, banking and title business in this state, or any savings and loan association whether state or federally chartered, or in other cases where the county is prohibited by law from imposing a license tax.

(2) No such license fee shall be imposed or collected on income received by members of the Kentucky national guard for active duty training, unit training assemblies and annual field training.

(3) Persons who pay a county license fee pursuant to this section and who also pay a license fee to a city contained in the county may upon agreement between the county and the city, credit their city license fee against their county license fee.

(4) The provisions of subsection (3) of this section notwithstanding, effective with license fees imposed under the provisions of subsection (1) of this section on or after July 15, 1986, persons who pay a county license fee and a license fee to a city contained in the county shall be allowed to credit their city license fee against their county license fee.

The provisions of KRS 96.230 to 96.310 shall not affect the status of the stock as part of the assets of the sinking fund.

(2) Ownership by the city shall not exempt a waterworks corporation from regulation under KRS Chapter 278.

SECTION 3. A NEW SECTION OF KRS 96.230 TO 96.310 IS CREATED TO READ AS FOLLOWS:

(1) The board of waterworks shall extend the waterwork corporation's facilities to offer water service to all residences and businesses in the county in which the city is located, but which do not already receive water service. The extension of water mains and facilities required by this section shall be completed no later than November 1, 1996.

(2) The costs of any extension shall be apportioned against the property to which the waterwork corporation's service will be made available by reason of such extension, on an equitable basis, but in no case shall a new customer be charged more than five thousand dollars ($5,000) for extension of service to one (1) lot or tract.

(3) The waterwork corporation shall notify each owner of the amount to be assessed against his lot or tract and shall maintain for public inspection detailed estimates of construction costs, including right-of-way acquisition, and of property assessments for a period of at least one (1) year after construction of the extension is completed.

(4) Upon completion of the water line extension, the board of waterworks shall issue apportionment warrants against all properties assessed, shall immediately list the record owners of each property assessed in alphabetical order on a register kept for that purpose, and shall notify each property owner of the amount of the apportionment warrant on his property. A property owner may pay the assessment in full within thirty (30) days after the notice has been given and pay no interest, or may elect to pay the warrant in equal monthly installments, not exceeding two hundred and forty (240) months with interest payments not in excess of seven percent (7%) per annum. When the warrant has been paid in full, the board of waterworks shall mark on the register the fact of payment and release the lien provided for by subsection (5) of this section.

(5) A lien superior to all liens except the liens for state, county, city, school and road taxes and liens prior in time for other public improvements shall exist against the respective lots or tracts of land for the cost of the water line extension and the interest due thereon, commencing with the date of issuance of the apportionment warrant.

(6) Any owner of property to be assessed for a water line extension may, at any time after receipt of the initial notice under subsection (3), but no later than thirty (30) days after final assessment notices are sent under subsection (4), apply to defer the assessment against his property, or against one (1) or more lots or tracts, as follows:

(a) The owner may decline water service made available to one (1) or more lots or tracts assessed for the extension. If the owner declines service, in writing to the board of waterworks, he waives his claim to water service to the property and the assessment is deferred. If a subsequent owner desires water service at a later time, that owner shall pay the deferred assessment together with accrued interest for the number of years from the date of the initial assessment until the property was purchased, but for no more than twenty (20) years.

(b) The owner may apply to defer payment of extension and installation costs by submitting an appeal to the board of hardship appeals, created by Section 4 of this Act, if his income is insufficient to cover the cost of the assessment and hookup. The board of hardship appeals shall notify the board of waterworks immediately of any appeal received, and the board of waterworks shall defer the assessment against the applicant's property until disposition of the appeal. The board of waterworks shall treat all information about hardship appeals confidentially. If the board of hardship appeals grants a deferral, the amount assessed but not paid for extension and hookup, shall become a deferred lien against the property, payable in full, together with accrued interest for a period not to exceed twenty (20) years, upon the subsequent sale or transfer of the property.

(7) Any costs incurred to extend water service to existing but previously unserved residents or businesses in the county under this section, which are in excess of assessments against property served by the extension, may be recouped through contributions by municipal or county governments, or through reduced payments into the city sinking fund or by other means, but shall not be recouped by means of any charge or assessment against current customers.

(8) Nothing in this section shall prohibit the board of waterworks from entering into other agreements or contracts with developers or builders for the extension of water service to new residential subdivisions or commercial development within the county.

SECTION 4. A NEW SECTION OF KRS 96.230 to 96.310 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created a board of hardship appeals to hear and decide the disposition of appeals under Section 3(6)(b) of this Act. The board shall consist of seven (7) members appointed for four (4) year terms as follows: two (2) shall be appointed by the county judge/executive, two (2) by the mayor of the city of the first class, and one (1) by each of the three (3) county commissioners. No official shall appoint more than one (1) member of the same political party. Initial members of the board shall be appointed no later than January 1, 1991. Members of the board shall receive no compensation but shall be reimbursed by the fiscal court of the county for actual and necessary expenses. Vacancies shall be filled in the same manner as the original appointment to fill the remainder of the unexpired term.

(2) The board members shall elect one (1) member to serve as chairman. Four (4) members shall constitute a quorum for the conduct of business.

(3) The board shall review any appeal of a property owner subject to an assessment for extension of water lines to serve existing residences or businesses within the county, which appeal asserts that the owner is unable to pay the assessment or connection fees for water service due to disability or other economic hardship. After review of relevant information and any hearing deemed necessary, the board may grant or deny a deferral of the assessment against the property, or may defer part of the amount owed, as the board deems proper.

(4) As part of its review, the board may require an applicant for deferral to provide complete financial records and may conduct its own investigation. Information concerning an individual applicant shall be confidential.

(5) Decisions of the board shall be binding upon the applicant and upon the board of waterworks. The board shall notify the applicant and the board of waterworks of its decisions.

(6) On or before April 1 of each year, the board shall report to the county fiscal court the number of applications it received, the number decided, the number of assessments deferred, and the number of applications denied.

Section 5. The following KRS sections are repealed:

96.315 Extension of service to persons not currently served — Costs — Assessments — Apportionment warrants — Liens.

HB 489, AN ACT relating to election campaign financing, making an appropriation therefor and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 121A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

The General Assembly of the Commonwealth of Kentucky finds and declares the following:

(1) The enactment of a system of public financing of election campaigns is an essential means to protect the integrity of the electoral process and ensure the maintenance of free democratic government;

(2) It is desirable to encourage the broadest possible participation in financing campaigns by all citizens of the Commonwealth, and to enable candidates to have an equal opportunity to present their programs to the voters;

(3) Our democratic system of government can be maintained only if the electorate is informed;

(4) A publicly funded system of financing election campaigns will encourage full discussion of issues, provide a fair and equal opportunity for all candidates to participate in the election process, and reduce the undue influence of special interests in election campaigns and the daily affairs of government; and

(5) Public financing provides a neutral source of revenue to assist candidates in raising sufficient money to communicate their views and positions adequately to the voters. Public financing provides a level playing field to facilitate competitive campaigns and promote public discussion of the issues. By providing public financing of election campaigns, the potential corrupting influence of special interests and large contributions is diminished, and candidates can reduce their reliance on these sources of funding. Public financing reduces the fundraising advantages of incumbents while allowing all candidates to devote less time to fundraising and more time to discussion of the issues.

SECTION 2. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

As used in this Act, unless the context requires otherwise:

(1) "Registry" means the Kentucky Registry of Election Finance;

(d) An executive committee of a political party;

(e) Expenditure in connection with any other activity undertaken independently of the candidate's campaign made or furnished for the purpose of influencing the results of an election.

Notwithstanding the foregoing meanings of "contribution," it shall not be construed to include:

(a) Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate; or

(b) A loan of money by any financial institution doing business in Kentucky made in accordance with applicable banking laws and regulations and in the ordinary course of business; and

(10) "Candidate" means any individual who has received contributions or made expenditures, has appointed a campaign treasurer, designated a campaign depository pursuant to this Act, or has given his consent for any other individual to receive contributions or make expenditures, with a view to bringing about his nomination or election to the office of Governor.

SECTION 3. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) There is established under the direction of the registry a special fund to be known as the election campaign fund.

(2) The registry shall distribute transfers for the matching of qualifying political campaign contributions to qualifying candidates for the office of Governor as provided in Section 8 of this Act. The transfers shall be paid from moneys derived from appropriations made to the fund for that purpose.

(3) The registry shall report to the General Assembly within three (3) months following a gubernatorial election the total amount paid to all qualifying candidates for qualified matching contributions.

(4) The registry shall preserve all receipted bills and accounts required to be kept by this chapter for a period of four (4) years.

(5) All candidate campaign committees, including those of candidates rejecting expenditure limitations, shall report all expenditures to the registry not less than every thirty (30) days following the general election of a year preceding a gubernatorial election year and not less than every fourteen (14) days during the fifty-six (56) days immediately preceding the primary election and the fifty-six (56) days immediately preceding the general election of a gubernatorial election year, in lieu of other reporting provisions of law.

(6) After each primary and each general election in a gubernatorial election year, the registry shall conduct a thorough examination and audit of the contributions to and campaign expenditures by the candidate's campaign committees and issue a separate report on each campaign committee.

(7) The registry shall adopt administrative regulations and official forms and perform other duties necessary to implement the provisions of this chapter.

SECTION 4. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) A candidate for Governor who receives transfers from the fund may make campaign expenditures which, in the aggregate, including the expenditure of transfers from the fund, shall not exceed three million three hundred thousand dollars ($3,300,000) in connection with a primary election campaign and two million eight hundred thousand dollars ($2,800,000) in connection with a general election campaign. These amounts shall be increased or decreased in accordance with the consumer price index, and the registry shall annually make that adjustment.

(2) It shall be unlawful for a candidate for Governor who receives transfers from the fund or who is otherwise subject to expenditure limitations to exceed the expenditure limitations of subsection (1) of this section through an additional reported or unreported expenditure by any person, committee, or organization which does not qualify as an "independent expenditure" as defined in KRS 121.150(1).

(3) A candidate for Governor who elects to receive transfers from the fund may receive contributions from permanent committees or political issues committees, which, in the aggregate, shall not exceed ten percent (10%) of the maximum expenditure limitations provided by subsection (1) of this section.

SECTION 5. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Each candidate for Governor shall file a statement of intent to accept or to reject a transfer from the election campaign fund. The statement shall be filed not later than the deadline for filing nomination papers.

(2) A qualifying candidate who intends to accept a transfer shall swear that the candidate and the candidate's authorized agents have complied with and will continue to comply at all times with applicable contribution and expenditure limits.

(3) A qualifying candidate shall designate in the statement of intent whether the candidate will accept or reject a transfer in either the primary or the general election. A candidate who receives a transfer from the fund in either the primary or general election shall be bound to the contribution and expenditure limits of Section 4 of this Act throughout the campaign. A candidate who rejects expenditure limitations in a primary shall not be eligible to receive matching transfers from the fund in the general election.

(4) Prior to the payment by the registry of either a primary election transfer or a general election transfer,

a candidate may rescind his statement of acceptance not later than ten (10) calendar days after the date for filing nomination papers.

SECTION 6. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) In order to become a qualifying candidate for the purpose of receiving a transfer from the fund in a primary or general election, or both, a candidate shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(2) The registry shall immediately review a candidate's request for certification to receive matching transfers from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) His nomination papers;

(c) The financial reports filed by or on behalf of the candidate as of the date of the request for certification which indicate that the candidate has raised the threshold qualifying amount of three hundred thousand dollars ($300,000) in individual qualifying contributions intended to further his nomination or election. Although a qualifying contribution may be made in any amount up to that provided by KRS 121.150(6), only the first one thousand dollars ($1,000) of a total qualifying contribution may be counted toward the candidate's threshold qualifying amount. The threshold qualifying amount shall be increased or decreased in accordance with the consumer price index, and the registry shall annually make that adjustment; and

(d) Any other information reasonably necessary that is prescribed by the registry.

(3) The registry shall certify whether a candidate is eligible to receive a primary election transfer no later than seven (7) calendar days after the candidate submits the required documentation.

(4) The registry shall certify whether a candidate is eligible to receive a general election transfer not later than seven (7) calendar days after the candidate submits the required documentation; except that if the candidate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(5) A separate determination and certification shall be made for a primary and a general election.

(6) The certification issued by the registry shall indicate:

(a) Whether a candidate is eligible to receive a transfer; and

(b) The maximum amount of transfer the candidate is eligible to receive.

(7) If a candidate who has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the candidate is not eligible to receive a transfer; and,

(b) What action, if any, the candidate may take to qualify for a transfer.

(8) A candidate may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification.

(9) A candidate denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure.

SECTION 7. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) All payments received from the fund, and all contributions or personal resources of the candidate to be used for campaign expenditures shall be deposited in the candidate campaign account.

(2) Each deposit in excess of three hundred dollars ($300) made in the account of any candidate for Governor shall be accompanied by a short statement, in the form prescribed by the registry, showing:

(a) The amount of each contribution or amount of personal resources deposited;

(b) The date each contribution was received or each amount of personal resources was made available, and;

(c) The name, address, and, in the case of individuals, occupation of each contributor and the source

of the personal resources. The occupation listed for each contributor shall be specific. A general classification, such as "businessman," shall be insufficient.

(3) The candidate shall designate in writing, for purposes of this chapter, to be filed with the registry, not more than three (3) individuals who shall be authorized, in addition to the candidate, to withdraw funds from the candidate campaign account.

(4) No individual authorized to make withdrawals from the candidate campaign account shall pay any amount out of the account for goods or services furnished, other than staff salaries, except upon the presentation of an invoice submitted by the person to whom the payment is to be made. The invoice shall describe disbursements to persons, the name, address and occupation of each person, and the date and the amount disbursed. These invoices and statements shall be preserved by the candidate and made available for reasonable inspection and auditing by employees of the registry.

SECTION 8. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided by this chapter, a qualifying candidate is entitled, upon certification by the registry, to receive matching transfers from the fund in an amount equal, dollar for dollar, to each qualifying contribution received by the candidate, up to the maximum expenditure limitation for a primary or a general election.

(a) For purposes of receiving matching funds, the threshold qualifying contribution amount required by subsection (2)(c) of Section 6 of this Act shall be counted and matched by the fund.

(b) For purposes of receiving matching funds, only the first one thousand dollars ($1,000), or lesser amount, in individual total qualifying contributions for either the primary or the general election shall count toward the amount which a candidate may receive from the fund. If a total qualifying contribution to a candidate's primary election threshold qualifying amount or general election threshold qualifying amount is one thousand dollars ($1,000) or more, no additional contribution may be matched for that election; except that if the total contribution to a candidate's primary election threshold qualifying amount or general election threshold qualifying amount is less than one thousand dollars ($1,000), an additional qualifying contribution up to the one thousand dollar ($1,000) total may be matched.

(2) If, during the course of a primary or general election, the registry determines that the existing appropriations in the fund are insufficient to cover the anticipated matching payments, the registry shall reduce the matching ratio from one dollar ($1.00) for one dollar ($1.00) to the ratio the registry determines so as not to exceed the amount of the fund.

(3) The maximum amount of matching funds which may be received by a qualifying candidate in a primary election shall be one million five hundred thousand dollars ($1,500,000) and in a general election one million two hundred fifty thousand dollars ($1,250,000). These amounts shall be increased or decreased in accordance with the consumer price index, and the registry shall annually make that adjustment.

(4) (a) If the registry makes a finding of fact, after a public hearing of which all candidates shall be notified, that in the course of a primary election or general election campaign a candidate who has not accepted the provisions of this chapter has exceeded the expenditure limits as provided in Section 4(1) of this Act, the registry shall certify that those candidates who have elected to become eligible for matching funds or may in the future elect to become eligible for matching funds shall be released from expenditure limitations and shall continue to receive matching funds up to the maximum expenditure limitations;

(b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a candidate campaign committee indicates that expenditure limits have, or may have, been exceeded; and

(c) A public hearing shall be conducted within three (3) days upon petition to the registry by a candidate that, upon his knowledge and belief, another candidate has exceeded expenditure limitations.

(5) Nothing in this section shall prevent any candidate from notifying the registry in writing that his campaign committee has exceeded the expenditure limitations established by law. In that case, no public hearing shall be held and the registry shall certify that those candidates who have elected to become eligible for matching funds or may in the future elect to become eligible for matching funds shall be released from expenditure limitations and shall continue to receive matching funds up to the maximum, if qualified by law.

(6) Any carryover of money in a candidate campaign account, from whatever source derived, received prior to the date of the primary election if the candidate is seeking the primary nomination of his party, shall be counted for purposes of expenditure limitations in the general election but shall not be counted for purposes of receiving matching funds or for meeting the threshold qualifying amount.

(7) To be eligible for the matching transfers established by Section 8 of this Act, each qualifying candidate shall submit to the registry at the times and in the form and manner the registry may require, a matching transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the candidate campaign committee together with the date, the exact amount of the contribution, the specific address and occupation of the contributor and any other information the registry may require.

(8) Within three (3) working days of the receipt of the voucher the registry shall:

(a) Make a determination, according to the procedures the registry may establish, as to whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the candidate an amount equal to the sum of the qualifying contributions enumerated on the voucher; and

(c) Promptly upon certification, make a payment from the fund to the candidate or his authorized treasurer in the amount certified by the registry.

(9) For the purpose of financing primary election campaigns, the registry shall make no payment to a candidate entitled to payments from the fund earlier than January 1 of a gubernatorial election year.

(10) For the purpose of financing general election campaigns, if the candidate is not participating in a primary, is unopposed in a primary, or faces only token opposition in a primary, the registry shall make no payment to a candidate entitled to payments from the fund earlier than the date the results of the primary election preceding the gubernatorial general election are certified. For purposes of this section, "token opposition" means any candidate raising less than three hundred thousand dollars ($300,000) for his primary candidacy.

(11) If during the course of a primary or general election a candidate withdraws, dies, is otherwise removed from the ballot, or becomes the only candidate on the ballot, the fund shall certify and pay on vouchers previously submitted, but all subsequent vouchers shall not be certified nor shall payments be made.

(12) The registry shall not certify any portion of any contribution made to a candidate entitled to matching payments under the fund, which, when added to other contributions made by the same contributor to the candidate in connection with the primary election and in connection with the general election, violates the provisions of KRS 121.150.

(13) The registry shall perform a continuing audit of all candidates to ensure that candidates are in compliance with this chapter the election laws of the Commonwealth.

SECTION 9. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

If it appears, after a candidate has filed financial statements as required by KRS 121.180, that an unexpended balance of contributions and fund transfers exist which are not otherwise obligated for the payment of the expenses of the completed campaign and cannot be carried over to the general election, if the completed campaign is a primary, the fund shall be reimbursed a portion of the unexpended balance equal to the percentage of total campaign expenditures consisting of fund transfers. The reimbursement payment shall be due and owing within ten (10) working days after the filing of the final financial statement for a particular election.

SECTION 10. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

Any candidate who receives transfers from the fund shall comply with and be subject to all campaign finance requirements contained in Chapter 121 to the extent that the requirements are not inconsistent with the provisions of this chapter.

SECTION 11. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Any eligible candidate who is qualified and elects to receive matching transfers out of the fund shall, as an additional subsidy of his campaign, be entitled, if he requests in writing, to appear preceding both the primary and general election of a gubernatorial election year on the Kentucky Educational Television Network for one (1) period of at least one (1) hour or two (2) periods of thirty (30) minutes to be held within the last thirty (30) days prior to each election for the purpose of presenting his platform to the viewing electorate and otherwise educating the public as to his candidacy.

(2) The Kentucky Educational Television Network shall provide up to two (2) hours on two (2) separate occasions preceding both the primary and general election of a gubernatorial election year a debate by the candidates of each political party in the primary and by all candidates in the general election. One (1) debate

shall occur within the last thirty (30) days prior to the primary election and the other shall occur within the last thirty (30) days prior to the general election. All candidates who have elected to receive matching transfers from the fund shall participate in the debates.

(3) The Kentucky Educational Television Network shall be responsible for offering the candidate television time as prescribed in this section on the dates and at the times as may reasonably be determined. The network may adopt administrative regulations and procedures necessary to implement the requirements of this section.

It shall be unlawful for any individual who receives any transfer from the fund, or to whom any portion of any transfer received from the fund is paid, willfully to use, or authorize the use of, the transfer or portion thereof for any purpose other than to defray the qualified campaign expenses with respect to which the payment was made or to expend the funds on any item or service otherwise prohibited under this chapter or the laws of this Commonwealth.

(1) (a) Any candidate, authorized treasurer, or any other individual who willfully violates the expenditure limitations imposed by Section 4 of this Act, willfully misuses any transfers from the fund in violation of Section 12 of this Act, or willfully falsifies any record required to be submitted or retained by the candidate under this chapter shall be fined not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000), or imprisoned for not less than one (1) year nor more than five (5) years, or both, and shall be disqualified from being appointed to or becoming a candidate for public office, or holding public office, for a period of five (5) years.

(b) In addition to the penalties set out in this subsection, pursuant to Section 151 of the Constitution of Kentucky, any candidate nominated or elected prior to a judicial determination that he has willfully committed any of the violations contained in this subsection shall, upon that judicial determination, forfeit his nomination, election, or public office.

HB 419, AN ACT relating to water supply planning.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 151.110 is amended to read as follows:

The conservation, development and proper use of the water resources of the Commonwealth of Kentucky have become of vital importance as a result of population expansion and concentration, industrial growth, technological advances and an ever increasing demand for water for varied ***domestic,*** industrial, municipal and recreational uses. It is recognized by the General Assembly that excessive rainfall during certain seasons of the year causes damage from overflowing streams. However, prolonged droughts at other seasons curtail industrial, municipal, agricultural and recreational uses of water and seriously threaten the continued growth and economic well-being of the Commonwealth. The advancement of the safety, happiness and welfare of the people and the protection of property require that the power inherent in the people be utilized to promote and to regulate the conservation, development and most beneficial use of the water resources. It is hereby declared that the general welfare requires that the water resources of the Commonwealth be put to the beneficial use to the fullest extent of which they are capable, that the waste or nonbeneficial use of water be prevented, and that the conservation and beneficial use of water be exercised in the interest of the people. Therefore, it is declared the policy of the Commonwealth to actively encourage and to provide financial, technical or other support for projects that will control and store our water resources in order that the continued growth and development of the Commonwealth might be assured. To that end, it is declared to be the purpose of KRS Chapters 146, 149, 151, 224, 262 and KRS 350.029 and 433.750 to 433.757 for the Commonwealth to permit, regulate, and participate in the construction or financing of facilities to store surplus surface water for future use; to conserve and develop the ground water resources of the Commonwealth; ***to require local communities to develop long range water supply plans;*** to protect the rights of all persons equitably and reasonably interested in the use and availability of water; to prohibit the pollution of water resources and to maintain the normal flow of all streams so that the proper quantity and quality of water will be available at all times to the people of the Commonwealth; to provide for the adequate disposition of water among the people of the Commonwealth entitled to its use during severe droughts or times of emergency; to prevent harmful overflows and flooding; to regulate the construction, maintenance and operation of all dams and other barriers of streams; to prevent the obstruction of streams and floodways by the dumping of substances therein; to keep accurate records on the amount of water withdrawal from streams and watercourses and reasonably regulate the amount of withdrawal of public water; and to engage in other activities as may be necessary to conserve and develop the water resources of the Commonwealth of Kentucky***, and to ensure adequate supply of water for domestic, agricultural, recreational and economic development uses.***

(2) The financial assistance of the cabinet shall be available until July 15, 1996.

Senator John "Eck" Rose, President Pro Tempore of the Senate, addressed the General Assembly as follows:

THE STATE OF THE LEGISLATURE ADDRESS

Governor Wilkinson, Lt. Governor Jones, Speaker Blandford, Chief Justice Stephens, members of the General Assembly, ladies and gentlemen, thank you for coming this evening.

We've gathered here tonight for our first State of the Legislature message to the people of this Commonwealth, it is a joint statement by Speaker Blandford and myself as the elected leaders of our respective chambers.

It is not our intention to speak for the entire membership of this General Assembly. Nor is this an attempt to make the Legislature speak with one voice. That would be presumptuous — even impossible — for it would deny the diversity of opinion central to representative government. And the General Assembly is a representative institution, drawn by the framers of our Constitution as a deliberative body, with all members being of equal status, and possessed of an equal vote, in representing their unique constituencies. Each member comes to these chambers of free deliberation with a mandate from the folks back home. And that's important to remember.

We are all sent here by our neighbors — and they've placed in us their trust and their confidence. They understand the nature of our task: to see to local concerns and needs, of course; but also to deal in a collective manner with the great challenges confronting the future of our Commonwealth.

Resolving those challenges toward the greater good of all is the heaviest of responsibilities, but a fundamental one in our system.

In that sense, every member of the General Assembly has fully realized his or her responsibilities when a consensus is reached based on the collective knowledge, wisdom and experience of all. Understanding the need for such consensus means we understand the workings of government in a free society.

It is a responsibility each of us takes seriously. We recognize that no one of us can hope to solve the problems that face us. But collectively — using every means available to build a true consensus — we can in fact prevail for the common good.

It is our common resolve that government by consensus — as envisioned by the framers of our Federal and State Constitutions — best serves the people of a free society. In that resolve — and in that resolve only — we are uncompromising.

Our individual hopes and aspirations and ambitions pale before the pressing needs of this Commonwealth. Meeting those needs requires that the process of consensus be implemented through this institution, the Kentucky General Assembly.

The General Assembly is truly the people's branch of government.

And to the people of Kentucky I say: It is your branch of government, for it is membered by your neighbors. Neighbors with whom you live and work. Neighbors with whom you attend church and various community clubs. Neighbors whose children go to the same schools as yours. Neighbors who shop alongside you for groceries. Neighbors with whom you have easy and direct contact, and know by their first names.

Neighbors you have entrusted with this message: "Go to Frankfort, understanding the issues and represent us, but put this Commonwealth first."

Speaker Blandford and I wish to use this forum tonight to assure all of our citizens that is exactly what the General Assembly, by way of consensus, means to do: put this Commonwealth first.

In putting the Commonwealth first, we must bear in mind that while we have much in common, we also are a diverse people, from distinct geographic regions. The needs of those regions must be attended to if we are to have a healthy whole. In our work, we mold and shape regional concerns, and fit them into the broader puzzle of the overall needs of this Commonwealth.

It is through this spirit of compromise and cooperation that the greater future of this Commonwealth can be assured, and I say tonight: that spirit shall prevail.

But while that spirit prevails within these chambers, we are aware it must also prevail between the branches of government, if the Commonwealth is to be placed first on our common agenda.

Two years ago, in a speech I delivered toward the end of the 1988 Session, I spoke of my desire to cooperate with all to achieve a better quality of life for those we are privileged to serve. Tonight, Speaker Blandford and I want to reaffirm the spirit of that speech.

We — along with what we believe to be the vast majority of members of the General Assembly — seek simple and necessary cooperation, to ensure that the challenges of this session are met and resolved to the common good.

Having said all this, what can our citizens expect from the 1990 General Assembly? What is our common agenda?

It would be presumptuous of Speaker Blandford or me to attempt to set the agenda for all our members. But what we can present are some basic priorities for the members of our respective chambers. . priorities we hope to see adopted into law through the art of cooperation, consensus-building and a rational, unemotional exchange of ideas tempered with mutual respect.

With Speaker Blandford as my partner in this endeavor, let me then outline briefly some of those items we hope the membership will consider favorably.

The Kentucky Supreme Court last June ruled our common school system to be unconstitutional. That ruling went far beyond the initial relief sought, which was simply more money for poorer districts. And while the court has in effect mandated spending large sums of additional revenue for educational improvements, it has also given us an unparalleled opportunity to build a common school system that can truly put the Commonwealth first in education.

The General Assembly's initial response was to establish a Task Force on Education Reform, in whose work the Executive Branch was invited to participate. That Task Force has been working diligently to provide recommendations for the General Assembly. Those recommendations, it is hoped, will be finalized in the next two weeks. At the time Speaker Blandford and I, as Co-Chairs of the Task Force, will report to the members in Joint Session on what those proposals are.

We want to emphasize that, to date, the development of these recommendations has been a joint effort of the executive and legislative branches.

No greater challenge faces this Commonwealth than reforming our educational system, and paying for it. And that reformation cannot be considered complete until we recognize as well the very real needs of early childhood education, higher education, adult education, and vocational education. In any plan we agree to, those areas must be addressed.

The Governor has shown his support by coming forth with a proposal to increase taxes by more than one million dollars over the biennium, and is to be commended for doing so.

Those revenue-raising proposals are now under study. And while we do now know what the final determination will be, we do find ourselves — both the Governor and the Legislature — in general agreement that taxes are needed. By our best reading, the public also agrees. The only decision will be which taxes are affected.

We suggest this is one of the many areas where reasonable men and women may disagree while respecting one another's right to differ.

There has been no major, general tax increase in this state since 1968. In fact, over the past twenty years, broad-based state taxes have been repeatly cut. In that period, to compensate, we have cut state government budgets across the board, shifted monies from one fund to another to try to meet demands, and trimmed fat until bone is laid bare.

We now face a reality whose demands can no longer be ignored, and whose challenge is clear. The need for new revenue to pay for not only education, but improved environmental protection, growing human service needs, and corrections reform, among others.

It is a challenge we are ready to meet.

As we prepare our children to compete in a global economy, we must preserve at home an environment conducive to keeping them in Kentucky. In short, our environment must be protected from further pollution and abuse.

The people of this Commonwealth expect the General Assembly to be leading stewards of our natural resources. Probably the most pressing environmental concern we now face is effective control of waste management. We do not believe that any Kentuckian wants Kentucky to become the dumping ground of this nation. We believe this is simply unacceptable and not to be tolerated.

The 1988 General Assembly took steps to correct this situation but more is required. We believe that Kentucky must have strong regulations for landfills. We believe that effective waste management requires strong state-local partnership. And we believe local governments must have the proper tools to enforce solid-waste management.

Most of all, we believe Kentucky landfills, to the extent the law allows, should be for Kentucky waste.

Committee studies last interim pointed up the fact that the Department for Environmental Protection is woefully underfunded. We will encourage support for funding to implement a comprehensive environmental management plan.

This is a fundamental need.

Another concern this General Assembly must deal with is the debt capacity of the Commonwealth, and proposals to radically expand that debt through bond issues.

States, like individuals, have credit ratings. Bonds represent long-term debt for the state. Last interim, we set up a special task force to study Kentucky's debt capacity, our aim is to prevent the state from incurring debt to the extent that it affects the credit and interest rates available to Kentucky state government.

A $600-million bond issue for roads has now been proposed. We all want good roads. The expedient approach would be to approve that bond issue. But we must take time to evaluate the impact of this increased debt on the long-term financial security of the Commonwealth.

As we all know, roads have too-often been tools for political deal-making throughout the history of Kentucky. This General Assembly will consider legislation to ensure continuity in the funding of road projects by requiring that a two-year state highway construction program — and a four-year pre-construction plan — be submitted to the General Assembly along with the biennial budget.

We consider this a way to not just eliminate past abuses, but to prevent future ones; and to implement a true construction and reconstruction plan that will give us a comprehensive handle on this most important issue.

We are also well aware of the problems in this state in the area of corrections. Put simply, we need, more prison beds, and it costs a lot of money to provide them. In this too, the executive has indicated an interest in working with us to find a solution. We're overcrowded, and we've got to do something about it.

This session we will.

I'd now like to read to you one of the findings in a report by the Committee on Human Resources of our Special Commission on State Government:

And I quote: "Based on our hearings and deliberations, it is the consensus of the committee that we are not meeting basic needs of the citizens of Kentucky and have no hope of doing so unless fundamental changes are made. . ."

That, we submit, is a frightening statement, and it is unacceptable.

There are pressing needs in areas such as community-based services for severely emotionally disturbed children, funding for the new Federal Family Support Act, expansion of the Kentucky Medical Assistance Program, and funding for juvenile residential-treatment beds.

There is also clearly an urgent need to expand in-home services for the elderly.

We are well aware, too, of the growing statewide concern that health care be accessible and affordable to all.

The Budget Review Subcommittee on Human Resources will carefully weigh the most pressing needs against available revenues, to address them in a real way this session.

One issue that directly affects each and every Kentuckian is economic development — the recruitment and retention of good, stable jobs for our fellow citizens who want to work, but cannot, who want better lives, but find their dreams frustrated.

Last year, the House and Senate established committees specifically to focus on economic development. Those committees began meeting as a Joint Economic Development Task Force, and conducted 17 on-site visits, hearing local and regional leaders express their concerns.

The Task Force also saw many local economic success stories and gathered information from 60 counties in four economic regions of this Commonwealth.

With each regional meeting, the Task Force became more aware of the principal requirements for making Kentucky's economy succeed.

Basically, we have come to see that teamwork — public and private sectors working together, labor and management laying aside mistrust — is crucial to a sound development policy; that no policy is a good one unless it is environmentally rational; and that economic development and education reform go hand in hand, for the workplace of tomorrow cannot function on the skills of the past.

But we've learned something else too, and it can't be overlooked.

The people of Kentucky have a deep determination to make their lives better. And government would be wise to tap that spirit.

No program of ours, no governmental good works, can hope to succeed unless the best energies of our people are engaged. That determination, that spirit, is evident and at work in virtually every community, workplace and school in Kentucky.

We must encourage it.

As we begin a new decade, and begin to focus on a new century, dealing with old problems or current problems alone is no longer acceptable.

We can't afford to get so caught up in today that we forget to plan for tomorrow. We cannot operate in a vacuum.

To accomplish that, we in the General Assembly have established a special study committee that is looking at ways to make state government better able to address the issues of the future and to respond to them, before they become insurmountable.

That is a legislative initiative. No one else in state government is making a similar, organized, formal attempt at planning for the future.

Among the issues we will look at in the coming months and years are:

—Establishing trade opportunities between Kentucky and eastern bloc countries.

—The effect on Kentucky of the closing of military bases as our country enters a new era of peace.

—How Kentucky should respond if acid rain legislation or other federal proposals are adopted that would significantly affect our state economy.

—Planning for population changes, particularly as they relate to the age and work patterns or our citizens.

My friends and fellow Kentuckians, these are enormous challenges.

Despite the great efficiencies of our year-round interim committee system, we must take steps to ensure that we as a body take a long-range perspective: That we show due concern for the great movements of our history and our society; that we not lose sight of our legacy in the hurried claims of immediacy.

Moreover, this perspective and this concern must be institutionalized, so the comings and goings of individuals in government will not require we reinvent the wheel every few years.

If you will allow, I would like to paraphrase some final thought from that speech I made last session. In these sentiments, Speaker Blandford and I concur.

Our Constitution says clearly that the powers of the government of the Commonwealth shall be divided into three distinct branches — the legislative, the executive, and the judicial. Each branch of government has its constitutional responsibilities, and none of the three may infringe upon the prerogatives of the others.

Lawmaking powers are vested solely in the House of Representatives and the Senate, which we and the Constitution call the General Assembly.

Thus was created this branch of government, and within it we are stewards of a great and enduring dream: a government of, for, and by the people.

We will continue to discharge our constitutional duties, and see that the branches of government remain separate but co-equal, as together we undertake through consensus the building of the future of our Commonwealth.

While we are mindful that each branch has its obligations upon which the others should not tread, we believe that there must be cooperation between the executive and the legislative. That cooperation can be the foundation upon which our common future will flourish. Through such cooperation, success is within our grasp—success in education, economic development, a better life for our elderly, a better day for all. Through our joint efforts, there is hope — and firm expectation — for victories over ignorance, illiteracy, poverty, and sickness.

The alternative to cooperation is constant confrontation, from which will flow failure and frustration, not just for us here in the Capitol, but for our people. That alternative is not acceptable to reasonable men and women of goodwill in any part of this Commonwealth and it is not acceptable to the Kentucky General Assembly.

So, Governor, tonight we extend our hands in a spirit of friendship and cooperation, and with a firm belief that together we can and will dedicate our joint efforts towards putting this Commonwealth first.

Finally, on behalf of Speaker Blandford and myself, let me say to the membership of the House and Senate, and to all the people of the Commonwealth: we appreciate deeply the trust you have placed in us, and thank you for the opportunity you've given us to serve.

Thank you. . .and good night.

SECTION 5. A NEW SECTION OF KRS CHAPTER 242 IS CREATED TO READ AS FOLLOWS:

(I) Any precinct located within any city or county in which prohibition is in effect in all or part of the city or county shall be designated as a minimum sale precinct by the governing body of the city or county, provided, the governing body determines to its satisfaction that the general trade, business, economy and tourism of the precinct within the city or county shall be best served by reason of the legal sale of alcoholic beverages. For the purpose of making the determination, the governing body may hold hearings, examine witnesses or receive evidence as it deems necessary or desirable for such purposes.

(2) Upon a determination by the governing body as provided for in subsection (I) of this section, the governing body of the city or county shall by ordinance designate the precinct as a minimum sale precinct and shall provide for an election to be held in the precinct to take the sense of the people as to the discontinuance of prohibition in the precinct.

(3) The election shall be held in the precinct in the manner prescribed in KRS 242.010 to 242.040 and KRS 242.060 to 242.120. The election shall not be deemed to be an election in the "same territory" within the meaning of subsection (5) of KRS 242.030; provided, however, that no election on the same question shall be held in the same precinct more often than once every three (3) years.

(4) The question shall be presented to the voters in conformance with the requirements of KRS 242.050, except that the form of the proposition shall be, "Are you in favor of the limited sale of alcoholic beverages in (official name and designation of precinct)?"

(5) If a majority of the votes cast in any minimum sale precinct in which an election is held pursuant to this section are in favor of the limited sale of alcoholic beverages in that precinct, the governing body of the city or county shall by ordinance create or provide for the office of city alcoholic beverage control administrator or county alcoholic beverage control administrator pursuant to KRS Chapter 24I.

(7) Notwithstanding any limitations imposed on the county taxing or licensing power by KRS 243.060 or the city taxing or licensing power by KRS 243.070, upon the discontinuance of prohibition in any minimum sale precinct, the governing body of the city or county may impose a regulatory license fee upon the gross receipts of each establishment located therein and licensed to sell alcoholic beverages. The regulatory license fee may be levied at the beginning of each city or county budget period at such percentage rate as shall be reasonably estimated to fully reimburse the city or county for the estimated costs of any additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages in the city or county. The regulatory license fee shall be in addition to any other taxes, fees or licenses permitted by law, but a credit against the fee shall be allowed in an amount equal to any licenses or fees imposed by the city pursuant to KRS 243.070 or county pursuant to KRS 243.060.

No other question shall be presented to the voters of any minimum sale precinct.

(c) The votes of each minimum sale precinct shall be counted separately. If a majority of the votes cast in the minimum sale precinct are in favor of continuing the sale of alcoholic beverages therein as a minimum sale precinct, then the status shall continue within the precinct, except that if the city or county in which the minimum sale precinct is located votes against prohibition in the remainder of the city or county, the minimum sale precinct status of any precinct may be terminated by the governing body of the city county and thereafter the status of the precinct shall be the same as that in effect for the remainder of the city or county.

The county attorney shall be given notice of any motion and shall have five (5) days in which to respond to same or request a hearing thereon.

(3) Any person seeking information contained in the court files or the court records of proceedings involving persons under this chapter may file a written motion in the appropriate court setting out why the information is needed. This appeal shall be advanced on the Circuit Court docket without motion or notice.

SECTION 23. A NEW SECTION OF KRS CHAPTER 202B IS CREATED TO READ AS FOLLOWS:

(1) Every resident admitted under the provisions of this chapter shall have an annual review conducted by an interdisciplinary team of the ICF/MR to determine the appropriateness of and the necessity for care and treatment provided the resident in the ICF/MR. On or before the anniversary date of an involuntary admission order entered for a resident pursuant to Section 18 of this Act, and every year thereafter for as long as the resident resides in the ICF/MR, the ICF/MR shall file with the admitting court an interdisciplinary evaluation report on behalf of the resident whose continued placement in the ICF/MR is required. The report shall detail the social, psychological, medical, and other considerations requiring continued placement of the resident in the ICF/MR, a description of the treatment or habilitation programs which will benefit the resident as a result of such placement, and a statement that the criteria for involuntary admission set forth in KRS 202B.040 are satisfied. The interdisciplinary report shall list the name and address of the guardian or limited guardian or, if none, an immediate family member of the resident.

(2) An interdisciplinary team shall discharge a resident whose admission is pursuant to court order when it is determined that the resident no longer meets the criteria for involuntary admission as provided in KRS 202B.040. When a resident is discharged, the ICF/MR shall send notice of the discharge to the court.

SECTION 24. A NEW SECTION OF KRS CHAPTER 202B IS CREATED TO READ AS FOLLOWS:

(1) No less than once in every five (5) years following the initial order for involuntary admission of

a resident to an ICF/MR, or an order authorizing continued care and treatment following review pursuant to this section, the court shall hold a hearing to review the status of the resident and necessity for continued care and treatment in the ICF/MR. Notice at least twenty (20) days in advance of the hearing shall be provided by the court to the ICF/MR, county attorney, guardian or limited guardian of the resident, if any, or, if none, an immediate family member as listed on the last interdisciplinary report filed by the ICF/MR. (2) The review hearing may be informal and held in open court, in chambers, or at the ICF/MR. The hearing shall be held without a jury and the resident shall be entitled to present documentary evidence and witnesses and cross-examine witnesses against the resident.

(3) At the conclusion of the review hearing, the court shall make written findings of fact concerning whether the criteria for involuntary admission set forth in KRS 202B.040 continue to be satisfied based upon clear and convincing evidence. If the court finds that the involuntary admission criteria continue to be satisfied, the court shall enter an order authorizing the continued care and treatment of the resident at the ICF/MR and shall establish the period within which the next review shall be held. Otherwise, the court shall enter an order requiring the resident to be discharged from the ICF/MR.

(4) If at any point during the resident's placement at an ICF/MR it appears that the resident no longer meets the criteria for involuntary admission set forth in KRS 202B.040, the resident, the resident's parent, guardian or limited guardian, immediate family member, or attorney may request a review pursuant to this section.

SECTION 26. A NEW SECTION OF KRS CHAPTER 202B IS CREATED TO READ AS FOLLOWS:

(1) An interdisciplinary team may release a resident on convalescent leave status when the interdisciplinary team concludes that the resident would not present a danger or a threat of danger to self, family or others if provided with continued medical supervision in a less restrictive alternative mode of treatment. Release on convalescent leave status does not terminate a court admission order and shall include provisions for the development of a treatment plan jointly by the ICF/MR and by a provider of outpatient care for follow-up care by the provider and for the continual monitoring of that resident's condition by the provider.

(2) The ICF/MR from which the resident is given convalescent leave status may at any time readmit the resident without additional court proceedings. If there is reason to believe that it is in the best interest of the resident to be readmitted, the secretary or an authorized staff physician of the ICF/MR may issue an order for the immediate readmission of the resident. The order, if not voluntarily complied with, shall, upon the endorsement by a judge of any court of the county in which the resident resides or is present, authorize any peace officer to take the resident into custody and transport the person to the responsible ICF/MR. Notice of readmission under this section shall be given to the originating court as soon as practicable and simultaneously with the order directing the readmission if possible.

This review committee shall have the authority to review the appropriateness of a resident's individual treatment plan.

(2) Upon the refusal of an involuntary resident to participate in any aspect of the resident's treatment plan, the review committee shall examine the appropriateness of the resident's individual treatment plan. Within three (3) days of the refusal, the review committee shall meet with the resident and the resident's counsel or other representative to discuss their recommendations.

(3) If the resident still refuses to participate in any aspect of the resident's individual treatment plan, the ICF/MR may petition the District Court for a de novo determination of the appropriateness of the proposed treatment. Within seven (7) days, the court shall conduct a hearing, consistent with the resident's rights to due process of law, and shall utilize the following factors in reaching its determination:

(a) Whether the treatment is necessary to protect other residents or the resident himself from harm;

(b) Whether the resident is incapable of giving informed consent to the proposed treatment;

(c) Whether any less restrictive alternative treatment exists; and

(d) Whether the proposed treatment carries any significant risk of permanent side effects.

(4) Upon completion of the hearing, the court shall enter an appropriate judgment. The proposed treatment shall be authorized if supported by clear and convincing evidence. If the court denies the ICF/MR the right to administer the treatment in question, the ICF/MR may discharge the resident, unless an interdisciplinary team of the ICF/MR determines that an alternative treatment is available and acceptable to both the interdisciplinary team and the resident and would benefit the resident.

If two (2) qualified mental retardation professionals, at least one (1) of whom is a physician, conclude that the person shall be involuntarily admitted, they shall file in the appropriate court a certification requesting involuntary admission procedures

be initiated under the provisions of this chapter, unless the person has agreed to remain voluntarily and possesses the mental capacity to give informed consent for voluntary admission.

(k) The names and addresses of all individuals who examined or interviewed the respondent or otherwise participated in the evaluation; and

(l) Any dissenting opinions or other comments by the evaluators.

(5) The evaluation report may be compiled by a community mental health-mental retardation center, a licensed facility for mentally ill or developmentally disabled persons, if the respondent is a resident of such facility, or a similar agency.

If the request complies with all the requirements of this section, the recording of the request shall constitute and be deemed to be an amendment to the line of credit or revolving credit plan and the mortgage to the extent described in the request.

(5) The lender shall be obligated to release the lien of the mortgage referred to in subsection (2) of this section:

(a) If the line of credit or revolving credit plan is closed or terminated in accordance with its terms and all amounts owed by the debtor thereunder are paid in full; or

(b) Upon the written request to release the mortgage signed by all debtors or their agents obligated under the line of credit or revolving credit plan, which notice shall be sent by certified mail, return receipt requested, or physically delivered to the lender. The lender shall file a properly executed satisfaction of the mortgage upon payment of the balance owing under the line of credit or revolving credit plan at the time the request is received. From and after the request, the debtor shall have no right to request or demand that the lender extend credit under the line of credit or revolving credit plan, and the lender shall be released from all obligations and commitments to extend credit thereunder.

(6) The provisions of KRS 382.330, 382.365, 382.430 and 382.520 shall not be applicable to the mortgage referred to in subsection (2) of this section.

(7) This section is not exclusive and shall not prohibit the use of other types of mortgages or other instruments given for the purpose of creating a lien on real property permitted by law.

Section 2. KRS 382.520 is amended to read as follows:

(1) In all cases where a loan is secured by a real estate mortgage, the mortgage originally executed and delivered by the borrower to the lender shall secure payment of all renewals and extensions of the loan and the note evidencing it, whether so provided in the mortgage or not.

(2) The mortgage referred to in subsection (1) of this section may secure any additional indebtedness, whether direct, indirect, existing, future, contingent or otherwise, to the extent expressly authorized by the mortgage, if the mortgage by its terms stipulates the maximum additional indebtedness which may be secured thereby. Except as provided in subsection (3) of this section, the mortgage lien authorized by this subsection shall be superior to any liens or encumbrances of any kind created after recordation of such mortgage, even to the extent of sums advanced by a lender with actual or constructive notice of a subsequently created lien, provided, however, any mortgagee upon receipt of a written request of a mortgagor must release of record the lien to secure additional indebtedness as exceeds the balance of such additional indebtedness at the time of ***the*** [~~such~~] request.

(3) (a) The written request referred to in subsection (2) of this section shall be signed by the mortgagor or his agent or attorney, and shall set forth a description of the real property to which the request relates, the date, parties to, the volume and initial page of the record of the mortgage referred to in subsection (1) of this section, and a description of the nature, amount and holder of the lien or encumbrance which the mortgagor intends to place upon such real property. ***The*** [~~Such~~] request shall be deemed to have been received by the holder of the mortgage referred to in subsection (1) of this section only when delivered to ***the*** [~~such~~] holder by certified mail, return receipt requested, at the address of the holder appearing of record on ***the*** [~~such~~] mortgage or an assignment thereof;

(b) If within ten (10) business days after receipt of the written request referred to in this subsection, the holder of the mortgage referred to in subsection (1) of this section fails to release that amount of the lien to secure additional indebtedness to the extent described in ***the*** [~~such~~] request, the mortgagor may record in the office of the county clerk in which the mortgage referred to in subsection (1) of this section is recorded a copy of ***the*** [~~such~~] written request upon payment of the same filing fee as provided for a release of a mortgage;

(c) If, after a copy of ***the*** [~~such~~] written request is recorded, an advance is made by the holder of the mortgage referred to in subsection (1) of this section, then the lien of ***the*** [~~such~~] mortgage for the unpaid balance of the advance so made shall be subordinate to the lien or encumbrance described in ***the*** [~~such~~] request[~~; provided, that any advance made pursuant to a line of credit shall not be subordinate to the lien or encumbrance described in such request unless such request specifically, and not by implication, describes such line of credit by account or other identifying number and states that any advance thereafter made pursuant to such plan is intended to be subordinated as aforesaid~~].

The Committee on Cities reported **HB 10** and **HB 516** with Committee Substitute attached thereto, with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 10, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 78.530 is amended to read as follows:

(1) Each county and school board, as defined in KRS 78.510, will participate in the system by appropriate order authorizing such participation which has been entered and duly recorded in the records of the governing body of the county or school board. In cases where general purpose county government does not participate, but the sheriff and his employes or the county clerk and his employes do, the sheriff or the clerk shall retain the order in his office. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.

(2) Once a county or school board participates, it shall thereafter continue to participate except as provided in KRS 78.535.

(3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employe electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(2), current service credit for employment in regular full-time positions between July 1, 1958, and the participation date of the county. Cities which participate in the system pursuant to subsection (7) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to purchase on behalf of each employe electing coverage only as much service credit as the employe has accumulated in the city-administered plan, up to the participation date of the city. Accumulated service shall include service for which an employe received a refund pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the employe has not yet repaid the refund, he may make payment to the system by any method acceptable to the system, and the requirement of five (5) years of continuous reemployment prior to repayment of refunds shall not apply. Upon the employe's repayment, the city shall purchase the associated service credit for the employe. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county;

(b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years, with interest at the rate actuarially assumed by the board. A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, except that cities which participate in the system pursuant to subsection (7) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend the payment schedule to a maximum of thirty (30) years, may choose to make level payments at the interest rate actuarially assumed by the board over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employes electing coverage;

(c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958, and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. The city shall not collect the special property tax if its participation has been terminated pursuant to KRS 78.535; and

(d) The county may at a later date purchase current service credit from July 1, 1958, to the participation date of the county by alternate participation plan for those employes who rejected membership in the system at the time the county first participated. In addition, the employer shall pay the employer contributions on the creditable compensation of the employes who later elect membership from the participation date of the county to the date the member elects participation. The employe shall pay the employe contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employe and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by adding it to the existing payment schedule established under paragraph (b) of this subsection.

(e) A county which did not participate by alternate participation may at a later date purchase current service credit for those employes who rejected membership in the system at the time the county first participated. The employer shall pay the employer contributions on the creditable compensation of the employes who later elect membership from the participation date of the county to the date the member elects participation. The employe shall pay the employe contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employe and employer contributions. The county shall pay the cost of the service credit by lump sum or by establishing a payment schedule under paragraph (b) of this subsection.

(4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.

(5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system hospitals and any other semi-independent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.

(6) An agency whose participation in the county employes retirement system has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employes thereof and the county employes retirement system.

(7) After August 1, 1988, except as permitted by KRS 65.156, no local government retirement system shall be created pursuant to KRS 70.580 to 70.598 and any local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768 and KRS Chapter 96 shall be closed to new members. New employes who would have been granted membership in such retirement systems shall instead be granted membership in the county employes retirement system. Employes who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or fire fighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400 or 90.410, or any such policemen or fire fighter members employed on or prior to August 1, 1988 who transfer to the county employes retirement system, shall be certified by their employers as working in hazardous positions. Each city participating in the county employes retirement system pursuant to this subsection shall execute the appropriate order authorizing such participation, shall select the alternate participation plan as described in subsection (3) of this section, and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. Cities which closed their local pension systems to new members and participated in the system prior to July 15, 1988, whose employes at the time of transition were given the option to join the system shall not be required to offer said employes a second option to join the system.

(8) Any city which closed a police and firefighter pension plan to new members between January 1, 1988, and July 15, 1988, and participated in the system under the alternate participation plan shall, if its police and firefighters were not covered by social security, or any city which operates a pension under KRS 90.400 or 90.410, shall be required to certify that its police and firefighters are working in hazardous positions, and shall offer its police and firefighters in service at the time of entry a second option to participate under hazardous duty coverage if they were not offered hazardous duty coverage at the time of their first option. The provisions of subsection (3)(b) of this section notwithstanding, a city affected by this subsection may, at its option, extend its payment schedule to the county employes retirement system for alternate participation to thirty (30) years at the rate actuarially assumed by the board.

HB 532, AN ACT relating to banking.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 287.180 is amended to read as follows:

(1) Banks authorized under the laws of this state may, except as provided in subsection (2) of this section, exercise, only at their principal office, powers necessary to carry on the business of banking by discounting and negotiating notes, drafts, bills of exchange and other evidences of debt, and by purchasing bonds, receiving deposits and allowing interest ***on these items*** [~~thereon~~], buying and selling exchange, coin and bullion and lending money on personal or real security.

(2) Any corporation presently or ***after the effective date of this Act*** [~~hereafter~~] engaged in the business of banking, and meeting the requirements of this subsection, may apply to the commissioner for permission to establish[~~, within the city in which either the principal office or an existing branch office which has been annexed into the city or acquired by merger is located and, subject to the limitation hereinafter imposed,~~] within the county in which its principal office is located a branch at which all of the powers conferred in subsection (1) of this section may be exercised. Before the commissioner shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and ***promoted*** [~~prompted thereby~~] and that there is reasonable probability of the successful operation of ***the*** [~~such~~] branch based upon the financial and managerial impact of the branch on the bank establishing the branch. No [~~such~~] branch shall be authorized or approved by the commissioner unless all of the following are complied with:

(a) No [~~such~~] corporation having a combined capital and surplus of less than one hundred thousand dollars ($100,000) shall be permitted to establish any branch. Any corporation applying for permission to establish a branch shall be required to have a minimum combined capital and surplus for each branch applied for in accordance with the following table:

If the principal office is located in:

1. An unincorporated area or in a city of 7,999 population or less $100,000

2. City with population of 8,000 to 19,999 . . . . $200,000

3. City with population of 19,999 and over one (1) branch may be authorized for every two hundred fifty thousand dollars ($250,000) of capital and surplus.

The [~~Said~~] population is to be determined by the last census or any future census of the United States;

(b) [~~No such corporation shall be permitted to establish a branch in any incorporated city, other than in the city in which either the principal office or an existing branch office which has been annexed into the city or acquired by merger is located, in which there is an existing bank. Nor shall any such corporation be permitted to establish a branch in any unincorporated area within a radius of one (1) mile of an existing bank located in such unincorporated area. As used in this subsection, an "existing bank" shall mean the principal office of a bank as distinguished from a branch thereof;~~

~~(c)~~] The permission to open a branch shall lapse one (1) year after the commissioner has rendered a final order, as defined in KRS 287.062, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for ***any*** [~~whatever~~] period of time he deems to be necessary; and

SB 175, AN ACT relating to protection of farm animal and research facilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 437 IS CREATED TO READ AS FOLLOWS:

As used in this Act, unless the context otherwise requires:

(1) "Animal" means any warm or cold blooded animal used in food or fiber production, agriculture, research, testing, or education including poultry, fish and insects;

(2) "Animal facility" means any vehicle, building, structure, or premises, where an animal or animal records are kept, handled, housed, exhibited, bred, or offered for sale;

(3) "Consent" means assent in fact, whether express or apparent;

(4) "Deprive" means to withhold an animal or other property from the owner permanently or for so extended a period of time that a major portion of the value or enjoyment of the animal or property is lost to the owner, to restore the animal or other property only upon payment of reward or other compensation, or to dispose of an animal or other property in a manner that makes recovery of the animal or property by the owner unlikely;

(5) "Effective consent" means consent by a person legally authorized to act for the owner. Consent is not effective if induced by force, threat, false pretenses, or fraud, if given by a person the actor knows is not legally authorized to act for the owner, if given by a person who by reason of youth, mental disease or defect, or intoxication is known by the actor to be unable to make reasonable decisions, or if given solely to detect the commission of an offense;

(6) "Owner" means a person who has title to the property, possession of the property, whether lawful or not, or a greater right to possession of the property than the actor;

(7) "Person" means any individual, corporation, association, nonprofit corporation, joint stock company, firm, trust, partnership, two (2) or more persons having a joint or common interest, or other legal entity;

(8) "Possession" means actual care, custody, control, or management.

SECTION 2. A NEW SECTION OF KRS CHAPTER 437 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that the caring, rearing, feeding, breeding, and sale of animals and animal products, and the use of animals in research, testing and education, represents vital segments of the economy of the state, that producers and others involved in the production and sale of animals and animal products and the use of animals in research and education have a vested interest in protecting the health and welfare of animals and the physical and intellectual property rights which they have in animals, and that there has been an increasing number of illegal acts committed against farm animal and research facilities. The General Assembly further finds that these illegal acts threaten the production of agricultural products, and jeopardize crucial scientific, biomedical, or agricultural research. And finally, the General Assembly finds that these illegal acts threaten the public safety by exposing communities to contagious diseases and damage research.

SECTION 3. A NEW SECTION OF KRS CHAPTER 437 IS CREATED TO READ AS FOLLOWS:

(1) A person commits an offense if, without the effective consent of the owner, the person acquires or otherwise exercises control over an animal facility, an animal from an animal facility, or other property from an animal facility, with the intent to deprive the owner of the facility, animal, or property and to disrupt or damage the enterprise conducted at the animal facility.

(2) A person commits an offense if, without the effective consent of the owner and with the intent to disrupt or damage the enterprise conducted at the animal facility, the person damages or destroys an animal facility or any animal or property in or on an animal facility.

(3) A person commits an offense if, without the effective consent of the owner and with the intent to disrupt or damage the enterprise conducted at the animal facility, the person enters an animal facility, not then open to the public, with the intent to commit an act prohibited by this section, remains concealed, with the intent to commit an act prohibited by this section, in an animal facility, or enters an animal facility and commits or attempts to commit an act prohibited by this section.

(4) A person commits an offense if, without the effective consent of the owner and with the intent to disrupt or damage the enterprise conducted at the animal facility, the person enters or remains on an animal facility, and the person had notice that the entry was forbidden, or received notice to depart but failed to do so. For purposes of this subsection "notice" shall mean oral or written communication by the owner or someone with apparent authority to act for the owner, fencing or other enclosure obviously designed to exclude intruders or to contain animals, or a sign or signs posted on the property or at the entrance to the building, reasonably likely to come to the attention of intruders, indicating that entry is forbidden.

(5) A person commits an offense if, without the effective consent of the owner and with the intent to disrupt or damage the enterprise conducted at the animal facility, the person uses any records, materials, data, equipment or animals of the animal facility.

(6) A person commits an offense if the person possesses or uses records, material, data, equipment or animals of an animal facility or in any way copies or reproduces records or data of a research facility knowing or reasonably believing the records, materials, data, equipment, or animals to have been obtained from an animal facility without the effective consent of the owner.

SECTION 4. A NEW SECTION OF KRS CHAPTER 437 IS CREATED TO READ AS FOLLOWS:

(1) Any person who violates any provision of this Act shall be subject to a fine of not more than five thousand dollars ($5,000) or imprisoned for not less than six (6) months but not more than one (1) year, or both, for each violation.

HB 36, AN ACT relating to the hazardous waste management assessment.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.876 is amended to read as follows:

(1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management and to leave the primary burden and responsibility for hazardous waste management on private industry; and further to finance assistance and coordination by imposing assessments on the generators of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with hazardous waste generation.

(2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.

(3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:

(a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances as defined in KRS 224.877 into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45.705 to 45.720 may be suspended by the cabinet if necessary to respond to an environmental emergency.

(b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.

(c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

(4) The cabinet shall have the authority to finance the non-federal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, (Public Law 96-510).

(5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.

(6) It is the expressed purpose of this section to accomplish effective hazardous waste management that results in a reduction of the generation of hazardous wastes within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste management to those industries whose products are reasonably related to the production of hazardous waste.

(7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste management assessment to be determined pursuant to this section according to the quantity by volume of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes" or waste oil. The assessment shall be reported and paid to the ***Natural Resources and Environmental Protection*** [~~revenue~~] Cabinet on a ***yearly*** [~~quarterly~~] basis ***at the time of submittal of the annual report required by KRS 224.864(1)(g)*** [~~on or before the twentieth (20th) day of the month after the end of each quarter~~]. The payment shall be accompanied by a report or return in ***a*** [~~such~~] form ***that*** [~~as~~] the [~~revenue~~] cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon ***the*** [~~said~~] business under this section shall be reduced by the amount of the federal assessment or tax upon ***the*** [~~said~~] business. [~~; provided, however, that~~] The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for ***these*** [~~said~~] purposes. The assessment shall be charged against generators of hazardous waste until June 30, ***2000.*** [~~1990, and~~] After ***this*** [~~such~~] date, no further hazardous waste management assessment shall be charged against generators.

(8) The assessment on generators shall be ***twenty*** [~~determined according to the following criteria for off-site treatment and disposal; the assessment for onsite treatment and disposal shall be one-half (1/2) of the amount as would be assessed for off-site treatment and disposal, except that onsite waste disposal facilities that incinerate, detoxify, solidify, neutralize or recycle hazardous waste shall be exempt unless the process involves the landfilling of hazardous waste.~~

~~(a) When the waste is destined for long-term containment without treatment, the assessment shall be two cents (2) per gallon initially, and shall increase by one cent (1) annually up to five~~] cents ***(20)*** [~~(5)~~] per gallon [~~in 1983 and remain at five cents (5) thereafter~~] if the waste is liquid, or ***ten dollars ($10)*** [~~two dollars and fifty cents ($2.50)~~] per cubic yard if the waste is solid.

The fund shall be deposited in an interest-bearing account. The [~~revenue~~] cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. When the state Treasurer certifies to the cabinet that the balance of the hazardous waste management fund exceeds six million dollars ($6,000,000), assessments shall not be collected until the state Treasurer certifies to the [~~revenue~~] cabinet that the balance in the hazardous waste management fund is less than three million dollars ($3,000,000).

(17) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

The Committee Substitute to **HB 36** is as follows:

HB 36, AN ACT relating to the hazardous waste management assessment.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.876 is amended to read as follows:

(1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management and to leave the primary burden and responsibility for hazardous waste management on private industry; and further to finance assistance and coordination by imposing assessments on the generators of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with hazardous waste generation.

(2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.

(3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:

(a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances as defined in KRS 224.877 into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45.705 to 45.720 may be suspended by the cabinet if necessary to respond to an environmental emergency.

(b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.

(c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

(4) The cabinet shall have the authority to finance the non-federal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, (Public Law 96-510).

(5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.

(6) It is the expressed purpose of this section to accomplish effective hazardous waste management that results in a reduction of the generation of hazardous wastes within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste management to those industries whose products are reasonably related to the production of hazardous waste.

(7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste management assessment to be determined pursuant to this section according to the quantity by volume of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes" or waste oil. ***The assessment shall not be imposed upon any person that is a secondary handler of hazardous waste.*** The assessment shall be reported and paid to the ***Natural Resources and Environmental Protection*** [~~revenue~~] Cabinet on a ***biannual*** [~~quarterly~~] basis ***on January 1 and June 30 of each year*** [~~on or before the twentieth (20th) day of the month after the end of each quarter~~]. The payment shall be accompanied by a report or return in ***a*** [~~such~~] form ***that*** [~~as~~] the [~~revenue~~] cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon ***the*** [~~said~~] business under this section shall be reduced by the amount of the federal assessment or tax upon ***the*** [~~said~~] business. [~~; provided, however, that~~] The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for ***these*** [~~said~~] purposes. The assessment shall be charged against generators of hazardous waste until June 30, ***2000.*** [~~1990, and~~] After ***this*** [~~such~~] date, no further hazardous waste management assessment shall be charged against generators.

(8) The assessment on generators shall be ***ten*** [~~determined according to the following criteria for off-site treatment and disposal; the assessment for onsite treatment and disposal shall be one-half (1/2) of the amount as would be assessed for off-site treatment and disposal, except that onsite waste disposal facilities that incinerate, detoxify, solidify, neutralize or recycle hazardous waste shall be exempt unless the process involves the landfilling of hazardous waste.~~

~~(a) When the waste is destined for long-term containment without treatment, the assessment shall be two cents (2) per gallon initially, and shall increase by one cent (1) annually up to five~~] cents ***(10)*** [~~(5)~~] per gallon [~~in 1983 and remain at five cents (5) thereafter~~] if the waste is liquid, or ***five dollars ($5)*** [~~two dollars and fifty cents ($2.50)~~] per cubic yard if the waste is solid***, except that facilities that recycle hazardous waste shall be exempt from any assessment.***

(a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;

(b) Waste treated, incinerated or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except that onsite waste disposal facilities that detoxify, solidify, neutralize, or recycle hazardous waste shall be exempt unless the process involves the landfilling of hazardous waste; and

(c) Waste containing less than one percent (1%) total organic carbons and less than one percent (1%)

total suspended solids, or waste that is subject to regulation under Section 402 or 307B of the federal Clean Water Act shall be exempt [~~Long-term containment includes disposal in a landfill, long-term storage, and other types of disposal specified by the cabinet;~~

~~(b) When a waste not suitable for a long-term containment is chemically treated, resulting in a material which is suitable for long-term containment but is still hazardous, the assessment shall be one cent (1) per gallon if the waste is a liquid or one dollar ($1) per cubic yard if the waste is solid;~~

~~(c) When the waste is destined for chemical treatment resulting in a material which is not hazardous as determined by testing criteria promulgated by the cabinet, the assessment shall be five mills ($.005) per gallon if the waste is liquid or fifty cents (50) per cubic yard if the waste is solid; and~~

~~(d) When the waste is destined for destructive treatment by incineration or other means, the assessment shall be five mills ($.005) per gallon if the waste is liquid or fifty cents (50) per cubic yard if the waste is solid~~].

(9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The payment shall be accompanied by a return [~~as~~] the [~~revenue~~] cabinet shall prescribe.

(10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the [~~revenue~~] cabinet may, from any information in its possession, make an estimate and issue an assessment against ***the*** [~~such~~] generator or hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

(11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the [~~revenue~~] cabinet, [~~then,~~] unless it is shown to the satisfaction of the [~~revenue~~] cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the [~~revenue~~] cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which ***it is*** filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

(12) If the assessment imposed by this chapter, whether assessed by the [~~revenue~~] cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the [~~revenue~~] cabinet.

In addition, for assessments paid after July 1, 1991 the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.***

(14) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. (3) A permit may be issued for an amount of water withdrawal less than that applied for, if found by the cabinet to be in the best interests of the public or other water users.

(4) Permits for the withdrawal, transfer, or diversion of public water may be amended at any time upon application to the cabinet by the withdrawer, or by the cabinet when the reports indicate that the withdrawer is using a substantially different amount than permitted. ***For a permit amendment which would affect a substantially different amount of water than permitted, the cabinet shall hold a public hearing before making a decision on the amendment and provide notice of the public hearing.***

No question on the license fee or tax shall be accepted for the ballot later than sixty (60) days before the next general election. Valid petitions submitted too late to satisfy the sixty (60) day limit shall cause the question to be placed on the ballot for the next succeeding general election. The question on the ballot shall be phrased to permit the voters to vote "yes" or "no" on the tax or fee. If a majority of those voting vote "no" on the fee or tax, it shall be rescinded on January 1 next following the election.***".

(6)(a) Subsections (1) to (3) of this section shall not apply and premium rates shall be deemed approved upon filing with the Department of Insurance if the filing is accompanied by a loss ratio guarantee, and benefits shall be deemed reasonable in relation to the premium rates so long as the insurer complies with the terms of the loss ratio guarantee. This loss ratio guarantee shall be in writing and shall contain at least the following:

1. A recitation of the anticipated loss ratio standards contained in the original actuarial memorandum filed with the policy form when it was originally approved by the commissioner;

2. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the loss ratio standards referred to in subparagraph 1. of this subsection. If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;

3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;

4. A guarantee that affected Kentucky policyholders will be issued a proportional refund, based on premium paid, of the amount necessary to bring the actual aggregate loss ratio up to the anticipated loss ratio standards referred to in subparagraph 1. of this subsection. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10.00) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and

5. A guarantee that refunds of less that ten dollars ($10.00) will be aggregated by the insurer and paid to the Department of Insurance.

(b) As used in this subsection, the term "loss ratio" means the ratio of incurred claims to earned premium by number of years of policy duration, for all combined durations."

HB 366, AN ACT relating to county road engineers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 179.070 is amended to read as follows:

The county engineer shall:

(1) Have general charge of all county roads and bridges within his county;

(2) See that county roads and bridges are improved and maintained as provided by law;

(3) Supervise the construction and maintenance of county roads and bridges and other work of like nature undertaken by the fiscal court;

(4) Make reports from time to time as the county or fiscal court directs;

(5) Advise and direct employes of contractors how best to repair, maintain and improve county roads and bridges;

(6) Examine the various formations and deposits of gravel and stone in his county to ascertain the materials most available and best suited for the improvement of roads therein, and, when requested by the bureau of highways, submit samples of such materials and deposits and make a written report concerning the materials;

(7) Establish or cause to be established necessary grades and recommend means of drainage, repair and improvement;

(8) Together with the fiscal court, consider and either reject or approve plans, specifications and estimates submitted for the erection or repair of bridges and the construction or maintenance of county roads;

(9) Inspect, or cause to be inspected, each county road or bridge during its construction or improvement, and certify to the fiscal court the progress of the work and whether or not the work is being done according to the contract, plans and specifications prepared therefor. If he finds that the work is not being done in accordance with the contract, plans and specifications, he may stop any further work thereunder until the fiscal court has inspected and passed upon it;

(10) Remove trees or other obstacles from the right of way of any publicly dedicated road when the tree or other obstacles become a hazard to traffic; and

(11) Make recommendation to municipal authorities in a county containing a city of the first class or the county judge/executive of a county containing a city of the first class for the establishment of speed limits by either in accordance with the powers granted to municipal authorities and the county judge/executive by KRS 189.390 (4) (a), and make recommendations to the county judge/executive for the establishment of parking restrictions by the county judge/executive in accordance with KRS 189.390 (4) (c);

The fiscal court may adopt regulations which may include, but not be limited to, the establishment on roads, designated in the first sentence of this subsection, of traffic lanes, the installation or removal of electric signals and other signs and markers, the removal of traffic bumps, the limitation or prohibition of parking, and the regulation or prohibition of a size or weight deemed likely to impede traffic or injure the streets; provided, however, that if such regulation of size and weight of vehicles conflicts with state regulations, the latter shall prevail. HB 596, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 534 IS CREATED TO READ AS FOLLOWS:

(1) In addition to any other penalty prescribed by law, the court may order a person or corporation convicted of any crime to pay:

(a) Restitution to the victim of such crime when the victim has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out of pocket losses, or loss of earnings as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court may order the defendant to make restitution in addition to any other penalty provided for the commission of the offense; and

(b) Restitution to any city, county, or other governmental entity or agency for the reasonable expenses incurred for the adequate care and shelter of any animal or animals prior to trial of the defendant for violation of KRS 525.130.

(2) Payment of restitution to the victim shall have priority over payment of restitution to any government agency. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work for a public agency of the Commonwealth, a county, or a city for a period of time equal to that determined in the case of working for a victim. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Restitution by payment may be ordered in a lump sum or in specified payments;

(b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered by the court;

(c) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;

(e) The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the State Treasury;

(f) When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court;

(g) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out of pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

The Committee on Labor and Industry reported **HB 100** with Committee Substitute attached thereto, **HB 459** and **HB 561** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 100, AN ACT relating to contractors.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 198B.060 is amended to read as follows:

(1) Each local government in the state of Kentucky shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for such services in accordance with subsections (8) and ***(11)***[~~(10)~~] of this section to enforce the Uniform State Building Code within the boundaries of its jurisdiction, and shall neither adopt nor enforce any other ordinance regulating buildings which conflicts with the Uniform State Building Code, except that a building code adopted by a local government prior to March 28, 1978 may continue in effect until ***the*** [~~such~~] time [~~as~~] the Uniform State Building Code becomes mandatory within that local government jurisdiction.

(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than twenty thousand (20,000) square feet of floor area, and are not intended for educational, institutional or high hazard occupancy; or assembly, business or industrial occupancy in excess of one hundred (100) persons, except churches as stated in this subsection, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of ***the*** [~~such~~] permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the Uniform State Building Code. ***The*** [~~Such~~] determination may be reviewed and altered by the board.

(4) The department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review ***the*** [~~such~~] appeal according to the procedures found in subsections (8) to (12) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

(5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. ***The*** [~~Such~~] petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal ***the*** [~~such~~] denial directly to the board, and the board shall review ***the*** [~~such~~] appeal according to the procedures found in subsections (8) to (12) of KRS 198B.070. ***If*** [~~Should~~] the local government ***is*** [~~be~~] granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over ***the*** [~~such~~] additional responsibility, but the local government shall collect any fees for functions it performs pursuant to ***the*** [~~such~~] additional responsibility.

(6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be allocated to the local government. The petition shall not be granted unless the local government has demonstrated to the commissioner that it can perform these functions in accordance with the provisions of KRS 198B.050 to 198B.090.

(7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(8) Upon the effective date of the Uniform State Building Code, no building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for ***the*** [~~such~~] construction.

(9) The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the Uniform State Building Code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of ***the*** [~~said~~] building. The applicant for a building permit, by the act of applying for the permit, ***shall be*** [~~is~~] deemed to have consented to inspection, by the local government or the department, of ***the*** [~~such~~] building during construction and upon the completion of construction for the purpose of determining that ***the*** [~~such~~] building is constructed in compliance with the Uniform State Building Code.

(10) ***No building permit shall be issued by any local government or a building department unless the contractor seeking the permit presents proof of meeting the requirements for federal and Kentucky income tax withholding, workers' compensation insurance according to KRS 342.340, unemployment insurance according to KRS 341.250 to 341.340 and all other pertinent state and local laws and regulations.***

(11) After a certified electrical inspector has been employed, contracted for or with, or otherwise provided for by the local government or the department, no utility shall initiate permanent electrical service to any new building until a final certificate of approval has been issued by a certified electrical inspector. Unless the department shall notify the utility in writing as to which buildings are subject to departmental approval, it shall be presumed by the utility that the building is subject to the jurisdiction of the local government. However, nothing in this section shall prohibit the supply or use of necessary electrical services during the construction and testing process.

(12)[~~(11)~~] This section shall apply to industrialized building systems but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the board of housing, buildings and construction, shall not be performed in order to conduct such tests or inspections.

(13)[~~(12)~~] No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the Uniform State Building Code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the Uniform State Building Code, or assembled or installed in conformance with applicable instructions.

(14)[~~(13)~~] A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the Uniform State Building Code.

(15)[~~(14)~~] Local governments or associations of local governments may contract with a person, firm, or company to perform the plans and specifications inspection or building inspection functions required of the local government by the provisions of this section ***if*** [~~provided that~~]:

(a) The person performing the plans and specifications inspection is certified by the department as having successfully completed the test requirements provided by KRS 198B.090 to practice as a certified plans and specifications inspector;

(b) The person performing the building inspection is certified by the department as having successfully completed the test requirements provided in KRS 198B.090 to practice as a certified building inspector;

(c) The person, firm or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities;

(d) The person performing the plumbing inspection is certified by the department as having successfully completed the requirements provided in KRS 318.140 to practice as a certified plumbing inspector; and

(e) The person, firm or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.

(16)[~~(15)~~] If the department determines that an inspector is not enforcing the provisions of the Kentucky building codes, it shall require a hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector.

(17)[~~(16)~~] If, after written notification from the department to the inspector of the corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies.

(18)[~~(17)~~] Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. ***The*** [~~Such~~] fees shall be designed to fully cover the cost of the service performed but shall ***not*** [~~in no case~~] exceed the cost of the service performed. Fees payable to the department shall be paid into the State Treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

SECTION 2. A NEW SECTION OF KRS CHAPTER 45A IS CREATED TO READ AS FOLLOWS:
